(1) Construction, alteration, demolition, installation, or repair work done under contract and paid for in whole or in part out of public funds, except work done directly by any public utility company pursuant to order of the Public Utilities Commission or other public authority. For purposes of this paragraph, "construction" includes work performed during the design and preconstruction phases of construction, including, but not limited to, inspection and land surveying work, and work performed during the postconstruction phases of construction, including, but not limited to, all cleanup work at the jobsite. For purposes of this paragraph, "installation" includes, but is not limited to, the assembly and disassembly of freestanding and affixed modular office systems.

(2) Work done for irrigation, utility, reclamation, and improvement districts, and other districts of this type. "Public work" does not include the operation of the irrigation or drainage system of any irrigation or reclamation district, except as used in Section 1778 relating to retaining wages.

(3) Street, sewer, or other improvement work done under the direction and supervision or by the authority of any officer or public body of the state, or of any political subdivision or district thereof, whether the political subdivision or district operates under a freeholder's charter or not.

(4) The laying of carpet done under a building lease-maintenance contract and paid for out of public funds.

(5) The laying of carpet in a public building done under contract and paid for in whole or in part out of public funds.

(6) Public transportation demonstration projects authorized pursuant to Section 143 of the Streets and Highways Code.

(7) (A) Infrastructure project grants from the California Advanced Services Fund pursuant to Section 281 of the Public Utilities Code.

(B) For purposes of this paragraph, the Public Utilities Commission is not the awarding body or the body awarding the contract, as defined in Section 1722.

(b) For purposes of this section, "paid for in whole or in part out of public funds" means all of the following:

(1) The payment of money or the equivalent of money by the state or political subdivision directly to or on behalf of the public works contractor, subcontractor, or developer.

(2) Performance of construction work by the state or political subdivision in execution of the project.

(3) Transfer by the state or political subdivision of an asset of value for less than fair market price.

(4) Fees, costs, rents, insurance or bond premiums, loans, interest rates, or other obligations that would normally be required in the execution of the contract, that are paid, reduced, charged at less than fair market value, waived, or forgiven by the state or political subdivision.

(5) Money loaned by the state or political subdivision that is to be repaid on a contingent basis.

(6) Credits that are applied by the state or political subdivision against repayment obligations to the state or political subdivision.

(c) Notwithstanding subdivision (b):

(1) Private residential projects built on private property are not subject to the requirements of this chapter unless the projects are built pursuant to an agreement with a state agency, redevelopment agency, or local public housing authority.

(2) If the state or a political subdivision requires a private developer to perform construction, alteration, demolition, installation, or repair work on a public work of improvement as a condition of regulatory approval of an otherwise private development project, and the state or political subdivision contributes no more money, or the equivalent of money, to the overall project than is required to perform this public improvement work, and the state or political subdivision maintains no proprietary interest in the overall project, then only the public improvement work shall thereby become subject to this chapter.

(3) If the state or a political subdivision reimburses a private developer for costs that would normally be borne by the public, or provides directly or indirectly a public subsidy to a private development project that is de minimis in the context of the project, an otherwise private development project shall not thereby become

subject to the requirements of this chapter.

(4) The construction or rehabilitation of affordable housing units for low- or moderate-income persons pursuant to paragraph (5) or (7) of subdivision (e) of Section 33334.2 of the Health and Safety Code that are paid for solely with moneys from the Low and Moderate Income Housing Fund established pursuant to Section 33334.3 of the Health and Safety Code or that are paid for by a combination of private funds and funds available pursuant to Section 33334.2 or 33334.3 of the Health and Safety Code do not constitute a project that is paid for in whole or in part out of public funds.

(5) Unless otherwise required by a public funding program, the construction or rehabilitation of privately owned residential projects is not subject to the requirements of this chapter if one or more of the following conditions are met:

(A) The project is a self-help housing project in which no fewer than 500 hours of construction work associated with the homes are to be performed by the home buyers.

(B) The project consists of rehabilitation or expansion work associated with a facility operated on a not-for-profit basis as temporary or transitional housing for homeless persons with a total project cost of less than twenty-five thousand dollars (\$25,000).

(C) Assistance is provided to a household as either mortgage assistance, downpayment assistance, or for the rehabilitation of a single-family home.

(D) The project consists of new construction, expansion, or rehabilitation work associated with a facility developed by a nonprofit organization to be operated on a not-for-profit basis to provide emergency or transitional shelter and ancillary services and assistance to homeless adults and children. The nonprofit organization operating the project shall provide, at no profit, not less than 50 percent of the total project cost from nonpublic sources, excluding real property that is transferred or leased. Total project cost includes the value of donated labor, materials, architectural, and engineering services.

(E) The public participation in the project that would otherwise meet the criteria of subdivision (b) is public funding in the form of below-market interest rate loans for a project in which occupancy of at least 40 percent of the units is restricted for at least 20 years, by deed or regulatory agreement, to individuals or families earning no more than 80 percent of the area median income.

(d) Notwithstanding any provision of this section to the contrary, the following projects shall not, solely by reason of this section, be subject to the requirements of this chapter:

(1) Qualified residential rental projects, as defined by Section 142(d) of the Internal Revenue Code, financed in whole or in part through the issuance of bonds that receive allocation of a portion of the state ceiling pursuant to Chapter 11.8 (commencing with Section 8869.80) of Division 1 of Title 2 of the Government Code on or before December 31, 2003.

(2) Single-family residential projects financed in whole or in part through the issuance of qualified mortgage revenue bonds or qualified veterans' mortgage bonds, as defined by Section 143 of the Internal Revenue Code, or with mortgage credit certificates under a Qualified Mortgage Credit Certificate Program, as defined by Section 25 of the Internal Revenue Code, that receive allocation of a portion of the state ceiling pursuant to Chapter 11.8 (commencing with Section 8869.80) of Division 1 of Title 2 of the Government Code on or before December 31, 2003.

(3) Low-income housing projects that are allocated federal or state low-income housing tax credits pursuant to Section 42 of the Internal Revenue Code, Chapter 3.6 (commencing with Section 50199.4) of Part 1 of Division 31 of the Health and Safety Code, or Section 12206, 17058, or 23610.5 of the Revenue and Taxation Code, on or before December 31, 2003.

(e) If a statute, other than this section, or a regulation, other than a regulation adopted pursuant to this section, or an ordinance or a contract applies this chapter to a project, the exclusions set forth in subdivision (d) do not apply to that project.

(f) For purposes of this section, references to the Internal Revenue Code mean the Internal Revenue Code of 1986, as amended, and include the corresponding predecessor sections of the Internal Revenue Code of 1954, as amended.

(g) The amendments made to this section by either Chapter 938 of the Statutes of 2001 or the act adding this subdivision shall not be construed to preempt local ordinances requiring the payment of prevailing wages on housing projects.

1720.2. For the limited purposes of Article 2 (commencing with Section 1770) of this chapter, "public works" also means any

construction work done under private contract when all of the following conditions exist:

- (a) The construction contract is between private persons.
- (b) The property subject to the construction contract is privately owned, but upon completion of the construction work, more than 50 percent of the assignable square feet of the property is leased to the state or a political subdivision for its use.
- (c) Either of the following conditions exist:
 - (1) The lease agreement between the lessor and the state or political subdivision, as lessee, was entered into prior to the construction contract.
 - (2) The construction work is performed according to plans, specifications, or criteria furnished by the state or political subdivision, and the lease agreement between the lessor and the state or political subdivision, as lessee, is entered into during, or upon completion of, the construction work.

1720.3. (a) For the limited purposes of Article 2 (commencing with Section 1770), "public works" also means the hauling of refuse from a public works site to an outside disposal location, with respect to contracts involving any state agency, including the California State University and the University of California, or any political subdivision of the state.

(b) For purposes of this section, the "hauling of refuse" includes, but is not limited to, hauling soil, sand, gravel, rocks, concrete, asphalt, excavation materials, and construction debris. The "hauling of refuse" shall not include the hauling of recyclable metals such as copper, steel, and aluminum that have been separated from other materials at the jobsite prior to transportation and that are to be sold at fair market value to a bona fide purchaser.

1720.4. (a) This chapter shall not apply to any of the following work:

(1) Any work performed by a volunteer. For purposes of this section, "volunteer" means an individual who performs work for civic, charitable, or humanitarian reasons for a public agency or corporation qualified under Section 501(c)(3) of the Internal Revenue Code as a tax-exempt organization, without promise, expectation, or receipt of any compensation for work performed.

(A) An individual shall be considered a volunteer only when his or her services are offered freely and without pressure and coercion, direct or implied, from an employer.

(B) An individual may receive reasonable meals, lodging, transportation, and incidental expenses or nominal nonmonetary awards without losing volunteer status if, in the entire context of the situation, those benefits and payments are not a substitute form of compensation for work performed.

(C) An individual shall not be considered a volunteer if the person is otherwise employed for compensation at any time (i) in the construction, alteration, demolition, installation, repair, or maintenance work on the same project, or (ii) by a contractor, other than a corporation qualified under Section 501(c)(3) of the Internal Revenue Code as a tax-exempt organization, that receives payment to perform construction, alteration, demolition, installation, repair, or maintenance work on the same project.

(2) Any work performed by a volunteer coordinator. For purposes of this section, "volunteer coordinator" means an individual paid by a corporation qualified under Section 501(c)(3) of the Internal Revenue Code as a tax-exempt organization, to oversee or supervise volunteers. An individual may be considered a volunteer coordinator even if the individual performs some nonsupervisory work on a project alongside the volunteers, so long as the individual's primary responsibility on the project is to oversee or supervise the volunteers rather than to perform nonsupervisory work.

(3) Any work performed by the California Conservation Corps or by Community Conservation Corps certified by the California Conservation Corps pursuant to Section 14507.5 of the Public Resources Code.

(b) This section shall apply retroactively to otherwise covered work concluded on or after January 1, 2002, to the extent permitted by law.

(c) This section shall remain in effect only until January 1, 2017, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 2017, deletes or extends that date.

1720.6. For the limited purposes of Article 2 (commencing with

Section 1770) of this chapter, "public work" also means any construction, alteration, demolition, installation, or repair work done under private contract when the following conditions exist:

(a) The work is performed in connection with the construction or maintenance of renewable energy generating capacity or energy efficiency improvements.

(b) The work is performed on the property of the state or a political subdivision of the state.

(c) Either of the following conditions exists:

(1) More than 50 percent of the energy generated is purchased or will be purchased by the state or a political subdivision of the state.

(2) The energy efficiency improvements are primarily intended to reduce energy costs that would otherwise be incurred by the state or a political subdivision of the state.

1721. "Political subdivision" includes any county, city, district, public housing authority, or public agency of the state, and assessment or improvement districts.

1722. "Awarding body" or "body awarding the contract" means department, board, authority, officer or agent awarding a contract for public work.

1722.1. For the purposes of this chapter, "contractor" and "subcontractor" include a contractor, subcontractor, licensee, officer, agent, or representative thereof, acting in that capacity, when working on public works pursuant to this article and Article 2 (commencing with Section 1770).

1723. "Worker" includes laborer, worker, or mechanic.

1724. "Locality in which public work is performed" means the county in which the public work is done in cases in which the contract is awarded by the State, and means the limits of the political subdivision on whose behalf the contract is awarded in other cases.

1725. "Alien" means any person who is not a born or fully naturalized citizen of the United States.

1725.5. A contractor shall be registered pursuant to this section to be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any public work contract that is subject to the requirements of this chapter. For the purposes of this section, "contractor" includes a subcontractor as defined by Section 1722.1.

(a) To qualify for registration under this section, a contractor shall do all of the following:

(1) Beginning July 1, 2014, register with the Department of Industrial Relations in the manner prescribed by the department and pay an initial nonrefundable application fee of three hundred dollars (\$300) to qualify for registration under this section and an annual renewal fee on or before July 1 of each year thereafter. The annual renewal fee shall be in a uniform amount set by the Director of Industrial Relations, and the initial registration and renewal fees may be adjusted no more than annually by the director to support the costs specified in Section 1771.3.

(2) Provide evidence, disclosures, or releases as are necessary to establish all of the following:

(A) Workers' Compensation coverage that meets the requirements of Division 4 (commencing with Section 3200) and includes sufficient coverage for any worker whom the contractor employs to perform work that is subject to prevailing wage requirements other than a contractor who is separately registered under this section. Coverage may be evidenced by a current and valid certificate of workers' compensation Insurance or certification of self-insurance required under Section 7125 of the Business and Professions Code.

(B) If applicable, the contractor is licensed in accordance with Chapter 9 (commencing with Section 7000) of the Business and Professions Code.

(C) The contractor does not have any delinquent liability to an employee or the state for any assessment of back wages or related damages, interest, fines, or penalties pursuant to any final judgment, order, or determination by a court or any federal, state, or local administrative agency, including a confirmed arbitration award. However, for purposes of this paragraph, the contractor shall not be disqualified for any judgment, order, or determination that is under appeal, provided that the contractor has secured the payment of any amount eventually found due through a bond or other appropriate means.

(D) The contractor is not currently debarred under Section 1777.1 or under any other federal or state law providing for the debarment of contractors from public works.

(E) The contractor has not bid on a public works contract, been listed in a bid proposal, or engaged in the performance of a contract for public works without being lawfully registered in accordance with this section, within the preceding 12 months or since the effective date of the requirements set forth in subdivision (e), whichever is earlier. If a contractor is found to be in violation of the requirements of this paragraph, the period of disqualification shall be waived if both of the following are true:

(i) The contractor has not previously been found to be in violation of the requirements of this paragraph within the preceding 12 months.

(ii) The contractor pays an additional nonrefundable penalty registration fee of two thousand dollars (\$2,000).

(b) Fees received pursuant to this section shall be deposited in the State Public Works Enforcement Fund established by Section 1771.3 and shall be used only for the purposes specified in that section.

(c) A contractor who fails to pay the renewal fee required under paragraph (1) of subdivision (a) on or before the expiration of any prior period of registration shall be prohibited from bidding on or engaging in the performance of any contract for public work until once again registered pursuant to this section. If the failure to pay the renewal fee was inadvertent, the contractor may renew its registration retroactively by paying an additional nonrefundable penalty renewal fee equal to the amount of the renewal fee within 90 days of the due date of the renewal fee.

(d) If, after a body awarding a contract accepts the contractor's bid or awards the contract, the work covered by the bid or contract is determined to be a public work to which Section 1771 applies, either as the result of a determination by the director pursuant to Section 1773.5 or a court decision, the requirements of this section shall not apply, subject to the following requirements:

(1) The body that awarded the contract failed, in the bid specification or in the contract documents, to identify as a public work that portion of the work that the determination or decision subsequently classifies as a public work.

(2) Within 20 days following service of notice on the awarding body of a determination by the Director of Industrial Relations pursuant to Section 1773.5 or a decision by a court that the contract was for public work as defined in this chapter, the contractor and any subcontractors are registered under this section or are replaced by a contractor or subcontractors who are registered under this section.

(3) The requirements of this section shall apply prospectively only to any subsequent bid, bid proposal, contract, or work performed after the awarding body is served with notice of the determination or decision referred to in paragraph (2) of this subdivision.

(e) The requirements of this section shall apply to any bid proposal submitted on or after March 1, 2015, and any contract for public work, as defined in this chapter, entered into on or after April 1, 2015.

1726. (a) The body awarding the contract for public work shall take cognizance of violations of this chapter committed in the course of the execution of the contract, and shall promptly report any suspected violations to the Labor Commissioner.

(b) If the awarding body determines as a result of its own investigation that there has been a violation of this chapter and withholds contract payments, the procedures in Section 1771.6 shall be followed.

(c) A contractor may bring an action in a court of competent jurisdiction to recover from an awarding body the difference between the wages actually paid to an employee and the wages that were required to be paid to an employee under this chapter, any penalties

required to be paid under this chapter, and costs and attorney's fees related to this action, if either of the following is true:

(1) The awarding body previously affirmatively represented to the contractor in writing, in the call for bids, or otherwise, that the work to be covered by the bid or contract was not a "public work," as defined in this chapter.

(2) The awarding body received actual written notice from the Department of Industrial Relations that the work to be covered by the bid or contract is a "public work," as defined in this chapter, and failed to disclose that information to the contractor before the bid opening or awarding of the contract.

1727. (a) Before making payments to the contractor of money due under a contract for public work, the awarding body shall withhold and retain therefrom all amounts required to satisfy any civil wage and penalty assessment issued by the Labor Commissioner under this chapter. The amounts required to satisfy a civil wage and penalty assessment shall not be disbursed by the awarding body until receipt of a final order that is no longer subject to judicial review.

(b) If the awarding body has not retained sufficient money under the contract to satisfy a civil wage and penalty assessment based on a subcontractor's violations, the contractor shall, upon the request of the Labor Commissioner, withhold sufficient money due the subcontractor under the contract to satisfy the assessment and transfer the money to the awarding body. These amounts shall not be disbursed by the awarding body until receipt of a final order that is no longer subject to judicial review.

1728. In cases of contracts with assessment or improvement districts where full payment is made in the form of a single warrant, or other evidence of full payment, after completion and acceptance of the work, the awarding body shall accept from the contractor in cash a sum equal to, and in lieu of, any amount required to be withheld, retained, or forfeited under the provisions of this section, and said awarding body shall then release the final warrant or payment in full.

1729. It shall be lawful for any contractor to withhold from any subcontractor under him sufficient sums to cover any penalties withheld from him by the awarding body on account of the subcontractor's failure to comply with the terms of this chapter, and if payment has already been made to the subcontractor the contractor may recover from him the amount of the penalty or forfeiture in a suit at law.

1730. The Director of Industrial Relations shall post a list of every California code section and the language of those sections that relate to the prevailing rate of per diem wage requirements for workers employed on a public work project on the Internet Web site of the Department of Industrial Relations on or before June 1, 2013, and shall update that list each February 1 thereafter.

1734. Any court collecting any fines or penalties under the criminal provisions of this chapter or any of the labor laws pertaining to public works shall as soon as practicable after the receipt thereof deposit same with the county treasurer of the county in which such court is situated. Amounts so deposited shall be paid at least once a month by warrant of the county auditor drawn upon requisition of the judge or clerk of said court, to the State Treasurer for deposit in the General Fund.

1735. A contractor shall not discriminate in the employment of persons upon public works on any basis listed in subdivision (a) of Section 12940 of the Government Code, as those bases are defined in Sections 12926 and 12926.1 of the Government Code, except as otherwise provided in Section 12940 of the Government Code. Every contractor for public works who violates this section is subject to all the penalties imposed for a violation of this chapter.

1736. During any investigation conducted under this part, the Division of Labor Standards Enforcement shall keep confidential the name of any employee who reports a violation of this chapter and any other information that may identify the employee.

1740. Notwithstanding any other provision of this chapter or any other law of this State, except limitations imposed by the Constitution, the legislative body of a political subdivision which has received or is to receive a loan or grant of funds from the Federal Government or a federal department or agency for public works of that political subdivision, may provide in its call for bids in connection with such public works that all bid specifications and contracts and other procedures in connection with bids or contracts shall be subject to modification to comply with revisions in federal minimum wage schedules without the necessity of republication or duplication of other formal statutory requirements.

1741. (a) If the Labor Commissioner or his or her designee determines after an investigation that there has been a violation of this chapter, the Labor Commissioner shall with reasonable promptness issue a civil wage and penalty assessment to the contractor or subcontractor, or both. The assessment shall be in writing, shall describe the nature of the violation and the amount of wages, penalties, and forfeitures due, and shall include the basis for the assessment. The assessment shall be served not later than 18 months after the filing of a valid notice of completion in the office of the county recorder in each county in which the public work or some part thereof was performed, or not later than 18 months after acceptance of the public work, whichever occurs last. Service of the assessment shall be completed pursuant to Section 1013 of the Code of Civil Procedure by first-class and certified mail to the contractor, subcontractor, and awarding body. The assessment shall advise the contractor and subcontractor of the procedure for obtaining review of the assessment. The Labor Commissioner shall, to the extent practicable, ascertain the identity of any bonding company issuing a bond that secures the payment of wages covered by the assessment and any surety on a bond, and shall serve a copy of the assessment by certified mail to the bonding company or surety at the same time service is made to the contractor, subcontractor, and awarding body. However, no bonding company or surety shall be relieved of its responsibilities because it failed to receive notice from the Labor Commissioner.

(b) Interest shall accrue on all due and unpaid wages at the rate described in subdivision (b) of Section 3289 of the Civil Code. The interest shall accrue from the date that the wages were due and payable, as provided in Part 7 (commencing with Section 1720) of Division 2, until the wages are paid.

(c) (1) The Labor Commissioner shall maintain a public list of the names of each contractor and subcontractor who has been found to have committed a willful violation of Section 1775 or to whom a final order, which is no longer subject to judicial review, has been issued.

(2) The list shall include the date of each assessment, the amount of wages and penalties assessed, and the amount collected.

(3) The list shall be updated at least quarterly, and the contractor's or subcontractor's name shall remain on that list until the assessment is satisfied, or for a period of three years beginning from the date of the issuance of the assessment, whichever is later.

1741.1. (a) The period for service of assessments shall be tolled for the period of time required by the Director of Industrial Relations to determine whether a project is a public work, including a determination on administrative appeal, if applicable, pursuant to subdivisions (b) and (c) of Section 1773.5. The period for service of assessments shall also be tolled for the period of time that a contractor or subcontractor fails to provide in a timely manner certified payroll records pursuant to a request from the Labor Commissioner or a joint labor-management committee under Section 1776, or an approved labor compliance program under Section 1771.5 or 1771.7.

(b) (1) The body awarding the contract for public work shall furnish, within 10 days after receipt of a written request from the

Labor Commissioner, a copy of the valid notice of completion for the public work filed in the office of the county recorder, or a document evidencing the awarding body's acceptance of the public work on a particular date, whichever occurs later, by first-class mail addressed to the office of the Labor Commissioner that is listed on the written request. If, at the time of receipt of the Labor Commissioner's written request, a valid notice of completion has not been filed by the awarding body in the office of the county recorder and there is no document evidencing the awarding body's acceptance of the public work on a particular date, the awarding body shall so notify the office of the Labor Commissioner that is listed on the written request. Thereafter, the awarding body shall furnish copies of the applicable document within 10 days after filing a valid notice of completion with the county recorder's office, or within 10 days of the awarding body's acceptance of the public work on a particular date.

(2) If the awarding body fails to timely furnish the Labor Commissioner with the documents identified in paragraph (1), the period for service of assessments under Section 1741 shall be tolled until the Labor Commissioner's actual receipt of the valid notice of completion for the public work or a document evidencing the awarding body's acceptance of the public work on a particular date.

(c) The tolling provisions in this section shall also apply to the period of time for commencing an action brought by a joint labor-management committee pursuant to Section 1771.2.

1742. (a) An affected contractor or subcontractor may obtain review of a civil wage and penalty assessment under this chapter by transmitting a written request to the office of the Labor Commissioner that appears on the assessment within 60 days after service of the assessment. If no hearing is requested within 60 days after service of the assessment, the assessment shall become final.

(b) Upon receipt of a timely request, a hearing shall be commenced within 90 days before the director, who shall appoint an impartial hearing officer possessing the qualifications of an administrative law judge pursuant to subdivision (b) of Section 11502 of the Government Code. The appointed hearing officer shall be an employee of the department, but shall not be an employee of the Division of Labor Standards Enforcement. The contractor or subcontractor shall be provided an opportunity to review evidence to be utilized by the Labor Commissioner at the hearing within 20 days of the receipt of the written request for a hearing. Any evidence obtained by the Labor Commissioner subsequent to the 20-day cutoff shall be promptly disclosed to the contractor or subcontractor.

The contractor or subcontractor shall have the burden of proving that the basis for the civil wage and penalty assessment is incorrect. The assessment shall be sufficiently detailed to provide fair notice to the contractor or subcontractor of the issues at the hearing.

Within 45 days of the conclusion of the hearing, the director shall issue a written decision affirming, modifying, or dismissing the assessment. The decision of the director shall consist of a notice of findings, findings, and an order. This decision shall be served on all parties and the awarding body pursuant to Section 1013 of the Code of Civil Procedure by first-class mail at the last known address of the party on file with the Labor Commissioner. Within 15 days of the issuance of the decision, the director may reconsider or modify the decision to correct an error, except that a clerical error may be corrected at any time.

The director shall adopt regulations setting forth procedures for hearings under this subdivision.

(c) An affected contractor or subcontractor may obtain review of the decision of the director by filing a petition for a writ of mandate to the appropriate superior court pursuant to Section 1094.5 of the Code of Civil Procedure within 45 days after service of the decision. If no petition for writ of mandate is filed within 45 days after service of the decision, the order shall become final. If it is claimed in a petition for writ of mandate that the findings are not supported by the evidence, abuse of discretion is established if the court determines that the findings are not supported by substantial evidence in the light of the whole record.

(d) A certified copy of a final order may be filed by the Labor Commissioner in the office of the clerk of the superior court in any county in which the affected contractor or subcontractor has property or has or had a place of business. The clerk, immediately upon the filing, shall enter judgment for the state against the person assessed in the amount shown on the certified order.

(e) A judgment entered pursuant to this section shall bear the same rate of interest and shall have the same effect as other

judgments and shall be given the same preference allowed by law on other judgments rendered for claims for taxes. The clerk shall not charge for the service performed by him or her pursuant to this section.

(f) An awarding body that has withheld funds in response to a civil wage and penalty assessment under this chapter shall, upon receipt of a certified copy of a final order that is no longer subject to judicial review, promptly transmit the withheld funds, up to the amount of the certified order, to the Labor Commissioner.

(g) This section shall provide the exclusive method for review of a civil wage and penalty assessment by the Labor Commissioner under this chapter or the decision of an awarding body to withhold contract payments pursuant to Section 1771.5.

1742.1. (a) After 60 days following the service of a civil wage and penalty assessment under Section 1741 or a notice of withholding under subdivision (a) of Section 1771.6, the affected contractor, subcontractor, and surety on a bond or bonds issued to secure the payment of wages covered by the assessment or notice shall be liable for liquidated damages in an amount equal to the wages, or portion thereof, that still remain unpaid. If the assessment or notice subsequently is overturned or modified after administrative or judicial review, liquidated damages shall be payable only on the wages found to be due and unpaid.

Additionally, if the contractor or subcontractor demonstrates to the satisfaction of the director that he or she had substantial grounds for appealing the assessment or notice with respect to a portion of the unpaid wages covered by the assessment or notice, the director may exercise his or her discretion to waive payment of the liquidated damages with respect to that portion of the unpaid wages. Any liquidated damages shall be distributed to the employee along with the unpaid wages. Section 203.5 shall not apply to claims for prevailing wages under this chapter.

(b) Notwithstanding subdivision (a), there shall be no liability for liquidated damages if the full amount of the assessment or notice, including penalties, has been deposited with the Department of Industrial Relations, within 60 days following service of the assessment or notice, for the department to hold in escrow pending administrative and judicial review. The department shall release such funds, plus any interest earned, at the conclusion of all administrative and judicial review to the persons and entities who are found to be entitled to such funds.

(c) The Labor Commissioner shall, upon receipt of a request from the affected contractor or subcontractor within 30 days following the service of a civil wage and penalty assessment under Section 1741, afford the contractor or subcontractor the opportunity to meet with the Labor Commissioner or his or her designee to attempt to settle a dispute regarding the assessment without the need for formal proceedings. The awarding body shall, upon receipt of a request from the affected contractor or subcontractor within 30 days following the service of a notice of withholding under subdivision (a) of Section 1771.6, afford the contractor or subcontractor the opportunity to meet with the designee of the awarding body to attempt to settle a dispute regarding the notice without the need for formal proceedings. The settlement meeting may be held in person or by telephone and shall take place before the expiration of the 60-day period for seeking administrative review. No evidence of anything said or any admission made for the purpose of, in the course of, or pursuant to, the settlement meeting is admissible or subject to discovery in any administrative or civil proceeding. No writing prepared for the purpose of, in the course of, or pursuant to, the settlement meeting, other than a final settlement agreement, is admissible or subject to discovery in any administrative or civil proceeding. The assessment or notice shall advise the contractor or subcontractor of the opportunity to request a settlement meeting.

(d) This section shall become operative on January 1, 2007.

1743. (a) The contractor and subcontractor shall be jointly and severally liable for all amounts due pursuant to a final order under this chapter or a judgment thereon. The Labor Commissioner shall first exhaust all reasonable remedies to collect the amount due from the subcontractor before pursuing the claim against the contractor.

(b) From the amount collected, the wage claim shall be satisfied prior to the amount being applied to penalties. If insufficient money is recovered to pay each worker in full, the money shall be prorated among all workers.

(c) Wages for workers who cannot be located shall be placed in the

Industrial Relations Unpaid Wage Fund and held in trust for the workers pursuant to Section 96.7. Penalties shall be paid into the General Fund.

(d) A final order under this chapter or a judgment thereon shall be binding, with respect to the amount found to be due, on a bonding company issuing a bond that secures the payment of wages and a surety on a bond. The limitations period of any action on a payment bond shall be tolled pending a final order that is no longer subject to judicial review.

LABOR CODE

SECTION 1770-1784

1770. The Director of the Department of Industrial Relations shall determine the general prevailing rate of per diem wages in accordance with the standards set forth in Section 1773, and the director's determination in the matter shall be final except as provided in Section 1773.4. Nothing in this article, however, shall prohibit the payment of more than the general prevailing rate of wages to any workman employed on public work. Nothing in this act shall permit any overtime work in violation of Article 3 of this chapter.

1771. Except for public works projects of one thousand dollars (\$1,000) or less, not less than the general prevailing rate of per diem wages for work of a similar character in the locality in which the public work is performed, and not less than the general prevailing rate of per diem wages for holiday and overtime work fixed as provided in this chapter, shall be paid to all workers employed on public works.

This section is applicable only to work performed under contract, and is not applicable to work carried out by a public agency with its own forces. This section is applicable to contracts let for maintenance work.

1771.1. (a) A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded.

(b) Notice of the requirement described in subdivision (a) shall be included in all bid invitations and public works contracts, and a bid shall not be accepted nor any contract or subcontract entered into without proof of the contractor or subcontractor's current registration to perform public work pursuant to Section 1725.5.

(c) An inadvertent error in listing a subcontractor who is not registered pursuant to Section 1725.5 in a bid proposal shall not be grounds for filing a bid protest or grounds for considering the bid nonresponsive, provided that any of the following apply:

(1) The subcontractor is registered prior to the bid opening.

(2) Within 24 hours after the bid opening, the subcontractor is registered and has paid the penalty registration fee specified in subparagraph (E) of paragraph (2) of subdivision (a) of Section 1725.5.

(3) The subcontractor is replaced by another registered subcontractor pursuant to Section 4107 of the Public Contract Code.

(d) Failure by a subcontractor to be registered to perform public work as required by subdivision (a) shall be grounds under Section 4107 of the Public Contract Code for the contractor, with the consent of the awarding authority, to substitute a subcontractor who is registered to perform public work pursuant to Section 1725.5 in place of the unregistered subcontractor.

(e) The department shall maintain on its Internet Web site a list of contractors who are currently registered to perform public work pursuant to Section 1725.5.

(f) A contract entered into with any contractor or subcontractor in violation of subdivision (a) shall be subject to cancellation, provided that a contract for public work shall not be unlawful, void, or voidable solely due to the failure of the awarding body, contractor, or any subcontractor to comply with the requirements of Section 1725.5 or this section.

(g) This section shall apply to any bid proposal submitted on or after March 1, 2015, and any contract for public work entered into on or after April 1, 2015.

1771.2. (a) A joint labor-management committee established pursuant to the federal Labor Management Cooperation Act of 1978 (29 U.S.C. Sec. 175a) may bring an action in any court of competent jurisdiction against an employer that fails to pay the prevailing wage to its employees, as required by this article. This action shall be commenced not later than 18 months after the filing of a valid notice of completion in the office of the county recorder in each county in which the public work or some part thereof was performed, or not later than 18 months after acceptance of the public work, whichever occurs last.

(b) (1) In an action brought pursuant to this section, the court shall award restitution to an employee for unpaid wages, plus interest, under Section 3289 of the Civil Code from the date that the wages became due and payable, and liquidated damages equal to the amount of unpaid wages owed, and may impose civil penalties, only against an employer that failed to pay the prevailing wage to its employees, in accordance with Section 1775, injunctive relief, or any other appropriate form of equitable relief. The court shall follow the same standards and have the same discretion in setting the amount of penalties as are provided by subdivision (a) of Section 1775. The court shall award a prevailing joint labor-management committee its reasonable attorney's fees and costs incurred in maintaining the action, including expert witness fees.

(2) An action pursuant to this section shall not be based on the employer's misclassification of the craft of a worker in its certified payroll records.

(3) Liquidated damages shall be awarded only if the complaint alleges with specificity the wages due and unpaid to the individual workers, including how that amount was calculated, and the defendant fails to pay the wages, deposit that amount with the court to be held in escrow, or provide proof to the court of an adequate surety bond to cover the wages, within 60 days of service of the complaint. Liquidated damages shall be awarded only on the wages found to be due and unpaid. Additionally, if the defendant demonstrates to the satisfaction of the court that the defendant had substantial grounds for contesting that a portion of the allegedly unpaid wages were owed, the court may exercise its discretion to waive the payment of the liquidated damages with respect to that portion of the unpaid wages.

(4) This subdivision does not limit any other available remedies for a violation of this chapter.

1771.3. (a) The State Public Works Enforcement Fund is hereby created as a special fund in the State Treasury to be available upon appropriation of the Legislature. All registration fees collected pursuant to Section 1725.5 and any other moneys as are designated by statute or order shall be deposited in the fund for the purposes specified in subdivision (b).

(b) Moneys in the State Public Works Enforcement Fund shall be used only for the following purposes:

(1) The reasonable costs of administering the registration of contractors and subcontractors to perform public work pursuant to Section 1725.5.

(2) The costs and obligations associated with the administration and enforcement of the requirements of this chapter by the Department of Industrial Relations.

(3) The monitoring and enforcement of any requirement of this code by the Labor Commissioner on a public works project or in connection with the performance of public work as defined pursuant to this chapter.

(c) The annual contractor registration renewal fee specified in subdivision (a) of Section 1725.5, and any adjusted application or renewal fee, shall be set in amounts that are sufficient to support the annual appropriation approved by the Legislature for the State Public Works Enforcement Fund and not result in a fund balance greater than 25 percent of the appropriation. Any yearend balance in the fund greater than 25 percent of the appropriation shall be applied as a credit when determining any fee adjustments for the subsequent fiscal year.

(d) To provide adequate cashflow for the purposes specified in subdivision (b), the Director of Finance, with the concurrence of the Secretary of the Labor and Workforce Development Agency, may approve a short-term loan each fiscal year from the Labor and Workforce Development Fund to the State Public Works Enforcement Fund.

(1) The maximum amount of the annual loan allowable may be up to, but shall not exceed 50 percent of the appropriation authority of the State Public Works Enforcement Fund in the same year in which the loan was made.

(2) For the purposes of this section, a "short-term loan" is a

transfer that is made subject to both of the following conditions:

(A) Any amount loaned is to be repaid in full during the same fiscal year in which the loan was made, except that repayment may be delayed until a date not more than 30 days after the date of enactment of the annual Budget Act for the subsequent fiscal year.

(B) Loans shall be repaid whenever the funds are needed to meet cash expenditure needs in the loaning fund or account.

1771.4. (a) All of the following are applicable to all public works projects that are otherwise subject to the requirements of this chapter:

(1) The call for bids and contract documents shall specify that the project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

(2) The awarding body shall post or require the prime contractor to post job site notices, as prescribed by regulation.

(3) Each contractor and subcontractor shall furnish the records specified in Section 1776 directly to the Labor Commissioner, in the following manner:

(A) At least monthly or more frequently if specified in the contract with the awarding body.

(B) In a format prescribed by the Labor Commissioner.

(4) The department shall undertake those activities it deems necessary to monitor and enforce compliance with prevailing wage requirements.

(b) The Labor Commissioner may exempt a public works project from compliance with all or part of the requirements of subdivision (a) of this section if either of the following occurs:

(1) The awarding body has enforced an approved labor compliance program, as defined in Section 1771.5, on all public works projects under its authority, except those deemed exempt pursuant to subdivision (a) of Section 1771.5, continuously since December 31, 2011.

(2) The awarding body has entered into a collective bargaining agreement that binds all contractors performing work on the project and that includes a mechanism for resolving disputes about the payment of wages.

(c) (1) The requirements of paragraph (1) of subdivision (a) shall only apply to contracts for public works projects awarded on or after January 1, 2015.

(2) The requirements of paragraph (3) of subdivision (a) shall only apply to the following projects:

(A) Projects that were subject to a requirement to furnish records to the Compliance Monitoring Unit pursuant to Section 16461 of Title 8 of the California Code of Regulations, prior to the effective date of this section.

(B) Projects for which the initial contract is awarded on or after April 1, 2015.

(C) Any other ongoing project in which the Labor Commissioner directs the contractors or subcontractors on the project to furnish records in accordance with paragraph (3) of subdivision (a).

(D) All projects, whether new or ongoing, on or after January 1, 2016.

1771.5. (a) Notwithstanding Section 1771, an awarding body may choose not to require the payment of the general prevailing rate of per diem wages or the general prevailing rate of per diem wages for holiday and overtime work for any public works project of twenty-five thousand dollars (\$25,000) or less when the project is for construction work, or for any public works project of fifteen thousand dollars (\$15,000) or less when the project is for alteration, demolition, repair, or maintenance work, if the awarding body has elected to initiate and has been approved by the Director of Industrial Relations to enforce a labor compliance program pursuant to subdivision (b) for every public works project under the authority of the awarding body.

(b) For purposes of this section, a labor compliance program shall include, but not be limited to, the following requirements:

(1) All bid invitations and public works contracts shall contain appropriate language concerning the requirements of this chapter.

(2) A prejob conference shall be conducted with the contractor and subcontractors to discuss federal and state labor law requirements applicable to the contract.

(3) Project contractors and subcontractors shall maintain and furnish, at a designated time, a certified copy of each weekly payroll containing a statement of compliance signed under penalty of perjury.

(4) The awarding body shall review, and, if appropriate, audit

payroll records to verify compliance with this chapter.

(5) The awarding body shall withhold contract payments when payroll records are delinquent or inadequate.

(6) The awarding body shall withhold contract payments equal to the amount of underpayment and applicable penalties when, after investigation, it is established that underpayment has occurred.

(7) The awarding body shall comply with any other prevailing wage monitoring and enforcement activities that are required to be conducted by labor compliance programs by the Department of Industrial Relations.

(c) For purposes of this chapter, "labor compliance program" means a labor compliance program that is approved, as specified in state regulations, by the Director of Industrial Relations.

(d) For purposes of this chapter, the Director of Industrial Relations may revoke the approval of a labor compliance program in the manner specified in state regulations.

1771.6. (a) Any awarding body that enforces this chapter in accordance with Section 1726 or 1771.5 shall provide notice of the withholding of contract payments to the contractor and subcontractor, if applicable. The notice shall be in writing and shall describe the nature of the violation and the amount of wages, penalties, and forfeitures withheld. Service of the notice shall be completed pursuant to Section 1013 of the Code of Civil Procedure by first-class and certified mail to the contractor and subcontractor, if applicable. The notice shall advise the contractor and subcontractor, if applicable, of the procedure for obtaining review of the withholding of contract payments.

The awarding body shall also serve a copy of the notice by certified mail to any bonding company issuing a bond that secures the payment of wages covered by the notice and to any surety on a bond, if their identities are known to the awarding body.

(b) The withholding of contract payments in accordance with Section 1726 or 1771.5 shall be reviewable under Section 1742 in the same manner as if the notice of the withholding was a civil penalty order of the Labor Commissioner under this chapter. If review is requested, the Labor Commissioner may intervene to represent the awarding body.

(c) Pending a final order, or the expiration of the time period for seeking review of the notice of the withholding, the awarding body shall not disburse any contract payments withheld.

(d) From the amount recovered, the wage claim shall be satisfied prior to the amount being applied to penalties. If insufficient money is recovered to pay each worker in full, the money shall be prorated among all workers.

(e) Wages for workers who cannot be located shall be placed in the Industrial Relations Unpaid Wage Fund and held in trust for the workers pursuant to Section 96.7. Penalties shall be paid into the General Fund of the awarding body that has enforced this chapter pursuant to Section 1771.5.

1771.7. (a) (1) For contracts specified in subdivision (f), an awarding body that chooses to use funds derived from either the Kindergarten-University Public Education Facilities Bond Act of 2002 or the Kindergarten-University Public Education Facilities Bond Act of 2004 for a public works project, shall initiate and enforce, or contract with a third party to initiate and enforce, a labor compliance program, as described in subdivision (b) of Section 1771.5, with respect to that public works project.

(2) If an awarding body described in paragraph (1) chooses to contract with a third party to initiate and enforce a labor compliance program for a project described in paragraph (1), that third party shall not review the payroll records of its own employees or the employees of its subcontractors, and the awarding body or an independent third party shall review these payroll records for purposes of the labor compliance program.

(b) This section applies to public works that commence on or after April 1, 2003. For purposes of this subdivision, work performed during the design and preconstruction phases of construction, including, but not limited to, inspection and land surveying work, does not constitute the commencement of a public work.

(c) (1) For purposes of this section, if any campus of the California State University chooses to use the funds described in subdivision (a), then the "awarding body" is the Chancellor of the California State University. For purposes of this subdivision, if the chancellor is required by subdivision (a) to initiate and enforce, or to contract with a third party to initiate and enforce, a labor compliance program, then in addition to the requirements described in

subdivision (b) of Section 1771.5, the Chancellor of the California State University shall review the payroll records on at least a monthly basis to ensure the awarding body's compliance with the labor compliance program.

(2) For purposes of this subdivision, if an awarding body described in subdivision (a) is the University of California or any campus of that university, and that awarding body is required by subdivision (a) to initiate and enforce, or to contract with a third party to initiate and enforce, a labor compliance program, then in addition to the requirements described in subdivision (b) of Section 1771.5, the payroll records shall be reviewed on at least a monthly basis to ensure the awarding body's compliance with the labor compliance program.

(d) (1) An awarding body described in subdivision (a) shall make a written finding that the awarding body has initiated and enforced, or has contracted with a third party to initiate and enforce, the labor compliance program described in subdivision (a).

(2) (A) If an awarding body described in subdivision (a) is a school district, the governing body of that district shall transmit to the State Allocation Board, in the manner determined by that board, a copy of the finding described in paragraph (1).

(B) The State Allocation Board shall not release the funds described in subdivision (a) to an awarding body that is a school district until the State Allocation Board has received the written finding described in paragraph (1).

(C) If the State Allocation Board conducts a postaward audit procedure with respect to an award of the funds described in subdivision (a) to an awarding body that is a school district, the State Allocation Board shall verify, in the manner determined by that board, that the school district has complied with the requirements of this subdivision.

(3) If an awarding body described in subdivision (a) is a community college district, the Chancellor of the California State University, or the office of the President of the University of California or any campus of the University of California, that awarding body shall transmit, in the manner determined by the Director of Industrial Relations, a copy of the finding described in paragraph (1) to the director of that department, or the director of any successor agency that is responsible for the oversight of employee wage and employee work hours laws.

(e) Because the reasonable costs directly related to monitoring and enforcing compliance with the prevailing wage requirements are necessary oversight activities, integral to the cost of construction of the public works projects, notwithstanding Section 17070.63 of the Education Code, the grant amounts as described in Chapter 12.5 (commencing with Section 17070.10) of Part 10 of Division 1 of Title 1 of the Education Code for the costs of a new construction or modernization project shall include the state's share of the reasonable and directly related costs of the labor compliance program used to monitor and enforce compliance with prevailing wage requirements.

(f) This section shall only apply to contracts awarded prior to January 1, 2012.

1772. Workers employed by contractors or subcontractors in the execution of any contract for public work are deemed to be employed upon public work.

1773. The body awarding any contract for public work, or otherwise undertaking any public work, shall obtain the general prevailing rate of per diem wages and the general prevailing rate for holiday and overtime work in the locality in which the public work is to be performed for each craft, classification, or type of worker needed to execute the contract from the Director of Industrial Relations. The holidays upon which those rates shall be paid need not be specified by the awarding body, but shall be all holidays recognized in the applicable collective bargaining agreement. If the prevailing rate is not based on a collectively bargained rate, the holidays upon which the prevailing rate shall be paid shall be as provided in Section 6700 of the Government Code.

In determining the rates, the Director of Industrial Relations shall ascertain and consider the applicable wage rates established by collective bargaining agreements and the rates that may have been predetermined for federal public works, within the locality and in the nearest labor market area. Where the rates do not constitute the rates actually prevailing in the locality, the director shall obtain and consider further data from the labor organizations and employers or employer associations concerned, including the recognized

collective bargaining representatives for the particular craft, classification, or type of work involved. The rate fixed for each craft, classification, or type of work shall be not less than the prevailing rate paid in the craft, classification, or type of work.

If the director determines that the rate of prevailing wage for any craft, classification, or type of worker is the rate established by a collective bargaining agreement, the director may adopt that rate by reference as provided for in the collective bargaining agreement and that determination shall be effective for the life of the agreement or until the director determines that another rate should be adopted.

1773.1. (a) Per diem wages, as the term is used in this chapter or in any other statute applicable to public works, includes employer payments for the following:

- (1) Health and welfare.
- (2) Pension.
- (3) Vacation.
- (4) Travel.
- (5) Subsistence.
- (6) Apprenticeship or other training programs authorized by

Section 3093, to the extent that the cost of training is reasonably related to the amount of the contributions.

(7) Worker protection and assistance programs or committees established under the federal Labor Management Cooperation Act of 1978 (29 U.S.C. Sec. 175a), to the extent that the activities of the programs or committees are directed to the monitoring and enforcement of laws related to public works.

(8) Industry advancement and collective bargaining agreements administrative fees, provided that these payments are required under a collective bargaining agreement pertaining to the particular craft, classification, or type of work within the locality or the nearest labor market area at issue.

(9) Other purposes similar to those specified in paragraphs (1) to (8), inclusive.

(b) Employer payments include all of the following:

(1) The rate of contribution irrevocably made by the employer to a trustee or third person pursuant to a plan, fund, or program.

(2) The rate of actual costs to the employer reasonably anticipated in providing benefits to workers pursuant to an enforceable commitment to carry out a financially responsible plan or program communicated in writing to the workers affected.

(3) Payments to the California Apprenticeship Council pursuant to Section 1777.5.

(c) Employer payments are a credit against the obligation to pay the general prevailing rate of per diem wages. However, credit shall not be granted for benefits required to be provided by other state or federal law, or for payments made to monitor and enforce laws related to public works if those payments are not made to a program or committee established under the federal Labor Management Cooperation Act of 1978 (29 U.S.C. Sec. 175a). Credits for employer payments also shall not reduce the obligation to pay the hourly straight time or overtime wages found to be prevailing. However, an increased employer payment contribution that results in a lower hourly straight time or overtime wage shall not be considered a violation of the applicable prevailing wage determination if all of the following conditions are met:

(1) The increased employer payment is made pursuant to criteria set forth in a collective bargaining agreement.

(2) The basic hourly rate and increased employer payment are no less than the general prevailing rate of per diem wages and the general prevailing rate for holiday and overtime work in the director's general prevailing wage determination.

(3) The employer payment contribution is irrevocable unless made in error.

(d) An employer may take credit for an employer payment specified in subdivision (b), even if contributions are not made, or costs are not paid, during the same pay period for which credit is taken, if the employer regularly makes the contributions, or regularly pays the costs, for the plan, fund, or program on no less than a quarterly basis.

(e) The credit for employer payments shall be computed on an annualized basis when the employer seeks credit for employer payments that are higher for public works projects than for private construction performed by the same employer, unless one or more of the following occur:

(1) The employer has an enforceable obligation to make the higher rate of payments on future private construction performed by the employer.

(2) The higher rate of payments is required by a project labor

agreement.

(3) The payments are made to the California Apprenticeship Council pursuant to Section 1777.5.

(4) The director determines that annualization would not serve the purposes of this chapter.

(f) (1) For the purpose of determining those per diem wages for contracts, the representative of any craft, classification, or type of worker needed to execute contracts shall file with the Department of Industrial Relations fully executed copies of the collective bargaining agreements for the particular craft, classification, or type of work involved. The collective bargaining agreements shall be filed after their execution and thereafter may be taken into consideration pursuant to Section 1773 whenever they are filed 30 days prior to the call for bids. If the collective bargaining agreement has not been formalized, a typescript of the final draft may be filed temporarily, accompanied by a statement under penalty of perjury as to its effective date.

(2) When a copy of the collective bargaining agreement has previously been filed, fully executed copies of all modifications and extensions of the agreement that affect per diem wages or holidays shall be filed.

(3) The failure to comply with filing requirements of this subdivision shall not be grounds for setting aside a prevailing wage determination if the information taken into consideration is correct.

1773.2. The body awarding any contract for public work, or otherwise undertaking any public work, shall specify in the call for bids for the contract, and in the bid specifications and in the contract itself, what the general rate of per diem wages is for each craft, classification, or type of worker needed to execute the contract.

In lieu of specifying the rate of wages in the call for bids, and in the bid specifications and in the contract itself, the awarding body may, in the call for bids, bid specifications, and contract, include a statement that copies of the prevailing rate of per diem wages are on file at its principal office, which shall be made available to any interested party on request. The awarding body shall also cause a copy of the determination of the director of the prevailing rate of per diem wages to be posted at each job site.

1773.3. (a) (1) An awarding agency shall provide notice to the Department of Industrial Relations of any public works contract subject to the requirements of this chapter, within five days of the award.

(2) The notice shall be transmitted electronically in a format specified by the department and shall include the name of the contractor, any subcontractor listed on the successful bid, the bid and contract award dates, the contract amount, the estimated start and completion dates, job site location, and any additional information the department specifies that aids in the administration and enforcement of this chapter.

(b) In lieu of responding to any specific request for contract award information, the department may make the information provided by awarding bodies pursuant to this section available for public review on its Internet Web site.

1773.4. Any prospective bidder or his representative, any representative of any craft, classification or type of workman involved, or the awarding body may, within 20 days after commencement of advertising of the call for bids by the awarding body, file with the Director of Industrial Relations a verified petition to review the determination of any such rate or rates upon the ground that they have not been determined in accordance with the provision of Section 1773 of this code. Within two days thereafter, a copy of such petition shall be filed with the awarding body. The petition shall set forth the facts upon which it is based. The Director of Industrial Relations or his authorized representative shall, upon notice to the petitioner, the awarding body and such other persons as he deems proper, including the recognized collective bargaining representatives for the particular crafts, classifications or types of work involved, institute an investigation or hold a hearing. Within 20 days after the filing of such petition, or within such longer period as agreed upon by the director, the awarding body, and all the interested parties, he shall make a determination and

transmit the same in writing to the awarding body and to the interested parties.

Such determination shall be final and shall be the determination of the awarding body. Upon receipt by it of the notice of the filing of such petition the body awarding the contract or authorizing the public work shall extend the closing date for the submission of bids or the starting of work until five days after the determination of the general prevailing rates of per diem wages pursuant to this section.

Upon the filing of any such petition, notice thereof shall be set forth in the next and all subsequent publications by the awarding body of the call for bids. No other notice need be given to bidders by the awarding body by publication or otherwise. The determination of the director shall be included in the contract.

1773.5. (a) The Director of Industrial Relations may establish rules and regulations for the purpose of carrying out this chapter, including, but not limited to, the responsibilities and duties of awarding bodies under this chapter.

(b) When a request is made to the director for a determination of whether a specific project or type of work awarded or undertaken by a political subdivision is a public work, he or she shall make that determination within 60 days receipt of the last notice of support or opposition from any interested party relating to that project or type of work that was not unreasonably delayed, as determined by the director. If the director deems that the complexity of the request requires additional time to make that determination, the director may have up to an additional 60 days if he or she certifies in writing to the requestor, and any interested party, the reasons for the extension. If the requestor is not a political subdivision, the requestor shall, within 15 days of the request, serve a copy of the request upon the political subdivision, in which event the political subdivision shall, within 30 days of its receipt, advise the director of its position regarding the request. For projects or types of work that are otherwise private development projects receiving public funds, as specified in subdivision (b) of Section 1720, the director shall determine whether a specific project or type of work is a public work within 120 days of receipt of the last notice of support or opposition relating to that project or type of work from any interested party that was not unreasonably delayed, as determined by the director.

(c) If an administrative appeal of the director's determination is made, it shall be made within 30 days of the date of the determination. The director shall issue a determination on the administrative appeal within 120 days after receipt of the last notice of support or opposition relating to that appeal from any interested party that was not unreasonably delayed, as determined by the director. The director may have up to an additional 60 days if he or she certifies in writing to the party requesting the appeal the reason for the extension.

(d) The director shall have quasi-legislative authority to determine coverage of projects or types of work under the prevailing wage laws of this chapter. A final determination on any administrative appeal is subject to judicial review pursuant to Section 1085 of the Code of Civil Procedure. These determinations, and any determinations relating to the general prevailing rate of per diem wages and the general prevailing rate for holiday, shift rate, and overtime work, shall be exempt from the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code).

1773.6. If during any quarterly period the Director of Industrial Relations shall determine that there has been a change in any prevailing rate of per diem wages in any locality he shall make such change available to the awarding body and his determination shall be final. Such determination by the Director of Industrial Relations shall not be effective as to any contract for which the notice to bidders has been published.

1773.7. The provisions of Section 11250 of the Government Code shall not be applicable to Sections 1773, 1773.4, and 1773.6.

1773.8. An increased employer payment contribution that results in

a lower taxable wage shall not be considered a violation of the applicable prevailing wage determination so long as all of the following conditions are met:

- (a) The increased employer payment is made pursuant to criteria set forth in a collective bargaining agreement.
- (b) The increased employer payment and hourly straight time and overtime wage combined are no less than the general prevailing rate of per diem wages.
- (c) The employer payment contribution is irrevocable unless made in error.

1773.9. (a) The Director of Industrial Relations shall use the methodology set forth in subdivision (b) to determine the general prevailing rate of per diem wages in the locality in which the public work is to be performed.

(b) The general prevailing rate of per diem wages includes all of the following:

(1) The basic hourly wage rate being paid to a majority of workers engaged in the particular craft, classification, or type of work within the locality and in the nearest labor market area, if a majority of the workers is paid at a single rate. If no single rate is being paid to a majority of the workers, then the single rate being paid to the greatest number of workers, or modal rate, is prevailing. If a modal rate cannot be determined, then the director shall establish an alternative rate, consistent with the methodology for determining the modal rate, by considering the appropriate collective bargaining agreements, federal rates, rates in the nearest labor market area, or other data such as wage survey data.

(2) Other employer payments included in per diem wages pursuant to Section 1773.1 and as included as part of the total hourly wage rate from which the basic hourly wage rate was derived. In the event the total hourly wage rate does not include any employer payments, the director shall establish a prevailing employer payment rate by the same procedure set forth in paragraph (1).

(3) The rate for holiday and overtime work shall be those rates specified in the collective bargaining agreement when the basic hourly rate is based on a collective bargaining agreement rate. In the event the basic hourly rate is not based on a collective bargaining agreement, the rate for holidays and overtime work, if any, included with the prevailing basic hourly rate of pay shall be prevailing.

(c) (1) If the director determines that the general prevailing rate of per diem wages is the rate established by a collective bargaining agreement, and that the collective bargaining agreement contains definite and predetermined changes during its term that will affect the rate adopted, the director shall incorporate those changes into the determination. Predetermined changes that are rescinded prior to their effective date shall not be enforced.

(2) When the director determines that there is a definite and predetermined change in the general prevailing rate of per diem wages as described in paragraph (1), but has not published, at the time of the effective date of the predetermined change, the allocation of the predetermined change as between the basic hourly wage and other employer payments included in per diem wages pursuant to Section 1773.1, a contractor or subcontractor may allocate payments of not less than the amount of the definite and predetermined change to either the basic hourly wage or other employer payments included in per diem wages for up to 60 days following the director's publication of the specific allocation of the predetermined change.

(3) When the director determines that there is a definite and predetermined change in the general prevailing rate of per diem wages as described in paragraph (1), but the allocation of that predetermined change as between the basic hourly wage and other employer payments included in per diem wages pursuant to Section 1773.1 is subsequently altered by the parties to a collective bargaining agreement described in paragraph (1), a contractor or subcontractor may allocate payments of not less than the amount of the definite and predetermined change in accordance with either the originally published allocation or the allocation as altered in the collective bargaining agreement.

1773.11. (a) Notwithstanding any other provision of law and except as otherwise provided by this section, if the state or a political subdivision thereof agrees by contract with a private entity that the private entity's employees receive, in performing that contract, the general prevailing rate of per diem wages and the general prevailing rate for holiday and overtime work, the director shall, upon a

request by the state or the political subdivision, do both of the following:

(1) Determine, as otherwise provided by law, the wage rates for each craft, classification, or type of worker that are needed to execute the contract.

(2) Provide these wage rates to the state or political subdivision that requests them.

(b) This section does not apply to a contract for a public work, as defined in this chapter.

(c) The director shall determine and provide the wage rates described in this section in the order in which the requests for these wage rates were received and regardless of the calendar year in which they were received. If there are more than 20 pending requests in a calendar year, the director shall respond only to the first 20 requests in the order in which they were received. If the director determines that funding is available in any calendar year to determine and provide these wage rates in response to more than 20 requests, the director shall respond to these requests in a manner consistent with this subdivision.

1774. The contractor to whom the contract is awarded, and any subcontractor under him, shall pay not less than the specified prevailing rates of wages to all workmen employed in the execution of the contract.

1775. (a) (1) The contractor and any subcontractor under the contractor shall, as a penalty to the state or political subdivision on whose behalf the contract is made or awarded, forfeit not more than two hundred dollars (\$200) for each calendar day, or portion thereof, for each worker paid less than the prevailing wage rates as determined by the director for the work or craft in which the worker is employed for any public work done under the contract by the contractor or, except as provided in subdivision (b), by any subcontractor under the contractor.

(2) (A) The amount of the penalty shall be determined by the Labor Commissioner based on consideration of both of the following:

(i) Whether the failure of the contractor or subcontractor to pay the correct rate of per diem wages was a good faith mistake and, if so, the error was promptly and voluntarily corrected when brought to the attention of the contractor or subcontractor.

(ii) Whether the contractor or subcontractor has a prior record of failing to meet its prevailing wage obligations.

(B) (i) The penalty may not be less than forty dollars (\$40) for each calendar day, or portion thereof, for each worker paid less than the prevailing wage rate, unless the failure of the contractor or subcontractor to pay the correct rate of per diem wages was a good faith mistake and, if so, the error was promptly and voluntarily corrected when brought to the attention of the contractor or subcontractor.

(ii) The penalty may not be less than eighty dollars (\$80) for each calendar day, or portion thereof, for each worker paid less than the prevailing wage rate, if the contractor or subcontractor has been assessed penalties within the previous three years for failing to meet its prevailing wage obligations on a separate contract, unless those penalties were subsequently withdrawn or overturned.

(iii) The penalty may not be less than one hundred twenty dollars (\$120) for each calendar day, or portion thereof, for each worker paid less than the prevailing wage rate, if the Labor Commissioner determines that the violation was willful, as defined in subdivision (c) of Section 1777.1.

(C) If the amount due under this section is collected from the contractor or subcontractor, any outstanding wage claim under Chapter 1 (commencing with Section 1720) of Part 7 of Division 2 against that contractor or subcontractor shall be satisfied before applying that amount to the penalty imposed on that contractor or subcontractor pursuant to this section.

(D) The determination of the Labor Commissioner as to the amount of the penalty shall be reviewable only for abuse of discretion.

(E) The difference between the prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the prevailing wage rate shall be paid to each worker by the contractor or subcontractor, and the body awarding the contract shall cause to be inserted in the contract a stipulation that this section will be complied with.

(b) If a worker employed by a subcontractor on a public works project is not paid the general prevailing rate of per diem wages by the subcontractor, the prime contractor of the project is not liable for any penalties under subdivision (a) unless the prime contractor

had knowledge of that failure of the subcontractor to pay the specified prevailing rate of wages to those workers or unless the prime contractor fails to comply with all of the following requirements:

(1) The contract executed between the contractor and the subcontractor for the performance of work on the public works project shall include a copy of the provisions of this section and Sections 1771, 1776, 1777.5, 1813, and 1815.

(2) The contractor shall monitor the payment of the specified general prevailing rate of per diem wages by the subcontractor to the employees, by periodic review of the certified payroll records of the subcontractor.

(3) Upon becoming aware of the failure of the subcontractor to pay his or her workers the specified prevailing rate of wages, the contractor shall diligently take corrective action to halt or rectify the failure, including, but not limited to, retaining sufficient funds due the subcontractor for work performed on the public works project.

(4) Prior to making final payment to the subcontractor for work performed on the public works project, the contractor shall obtain an affidavit signed under penalty of perjury from the subcontractor that the subcontractor has paid the specified general prevailing rate of per diem wages to his or her employees on the public works project and any amounts due pursuant to Section 1813.

(c) The Division of Labor Standards Enforcement shall notify the contractor on a public works project within 15 days of the receipt by the Division of Labor Standards Enforcement of a complaint of the failure of a subcontractor on that public works project to pay workers the general prevailing rate of per diem wages.

1776. (a) Each contractor and subcontractor shall keep accurate payroll records, showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by him or her in connection with the public work. Each payroll record shall contain or be verified by a written declaration that it is made under penalty of perjury, stating both of the following:

(1) The information contained in the payroll record is true and correct.

(2) The employer has complied with the requirements of Sections 1771, 1811, and 1815 for any work performed by his or her employees on the public works project.

(b) The payroll records enumerated under subdivision (a) shall be certified and shall be available for inspection at all reasonable hours at the principal office of the contractor on the following basis:

(1) A certified copy of an employee's payroll record shall be made available for inspection or furnished to the employee or his or her authorized representative on request.

(2) A certified copy of all payroll records enumerated in subdivision (a) shall be made available for inspection or furnished upon request to a representative of the body awarding the contract and the Division of Labor Standards Enforcement of the Department of Industrial Relations.

(3) A certified copy of all payroll records enumerated in subdivision (a) shall be made available upon request by the public for inspection or for copies thereof. However, a request by the public shall be made through either the body awarding the contract or the Division of Labor Standards Enforcement. If the requested payroll records have not been provided pursuant to paragraph (2), the requesting party shall, prior to being provided the records, reimburse the costs of preparation by the contractor, subcontractors, and the entity through which the request was made. The public may not be given access to the records at the principal office of the contractor.

(c) Unless required to be furnished directly to the Labor Commissioner in accordance with paragraph (3) of subdivision (a) of Section 1771.4, the certified payroll records shall be on forms provided by the Division of Labor Standards Enforcement or shall contain the same information as the forms provided by the division. The payroll records may consist of printouts of payroll data that are maintained as computer records, if the printouts contain the same information as the forms provided by the division and the printouts are verified in the manner specified in subdivision (a).

(d) A contractor or subcontractor shall file a certified copy of the records enumerated in subdivision (a) with the entity that requested the records within 10 days after receipt of a written

request.

(e) Except as provided in subdivision (f), any copy of records made available for inspection as copies and furnished upon request to the public or any public agency by the awarding body or the Division of Labor Standards Enforcement shall be marked or obliterated to prevent disclosure of an individual's name, address, and social security number. The name and address of the contractor awarded the contract or the subcontractor performing the contract shall not be marked or obliterated. Any copy of records made available for inspection by, or furnished to, a multiemployer Taft-Hartley trust fund (29 U.S.C. Sec. 186(c)(5)) that requests the records for the purposes of allocating contributions to participants shall be marked or obliterated only to prevent disclosure of an individual's full social security number, but shall provide the last four digits of the social security number. Any copy of records made available for inspection by, or furnished to, a joint labor-management committee established pursuant to the federal Labor Management Cooperation Act of 1978 (29 U.S.C. Sec. 175a) shall be marked or obliterated only to prevent disclosure of an individual's social security number.

(f) (1) Notwithstanding any other provision of law, agencies that are included in the Joint Enforcement Strike Force on the Underground Economy established pursuant to Section 329 of the Unemployment Insurance Code and other law enforcement agencies investigating violations of law shall, upon request, be provided nonredacted copies of certified payroll records. Any copies of records or certified payroll made available for inspection and furnished upon request to the public by an agency included in the Joint Enforcement Strike Force on the Underground Economy or to a law enforcement agency investigating a violation of law shall be marked or redacted to prevent disclosure of an individual's name, address, and social security number.

(2) An employer shall not be liable for damages in a civil action for any reasonable act or omission taken in good faith in compliance with this subdivision.

(g) The contractor shall inform the body awarding the contract of the location of the records enumerated under subdivision (a), including the street address, city, and county, and shall, within five working days, provide a notice of a change of location and address.

(h) The contractor or subcontractor has 10 days in which to comply subsequent to receipt of a written notice requesting the records enumerated in subdivision (a). In the event that the contractor or subcontractor fails to comply within the 10-day period, he or she shall, as a penalty to the state or political subdivision on whose behalf the contract is made or awarded, forfeit one hundred dollars (\$100) for each calendar day, or portion thereof, for each worker, until strict compliance is effectuated. Upon the request of the Division of Labor Standards Enforcement, these penalties shall be withheld from progress payments then due. A contractor is not subject to a penalty assessment pursuant to this section due to the failure of a subcontractor to comply with this section.

(i) The body awarding the contract shall cause to be inserted in the contract stipulations to effectuate this section.

(j) The director shall adopt rules consistent with the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code) and the Information Practices Act of 1977 (Title 1.8 (commencing with Section 1798) of Part 4 of Division 3 of the Civil Code) governing the release of these records, including the establishment of reasonable fees to be charged for reproducing copies of records required by this section.

1777. Any officer, agent, or representative of the State or of any political subdivision who wilfully violates any provision of this article, and any contractor, or subcontractor, or agent or representative thereof, doing public work who neglects to comply with any provision of section 1776 is guilty of a misdemeanor.

1777.1. (a) Whenever a contractor or subcontractor performing a public works project pursuant to this chapter is found by the Labor Commissioner to be in violation of this chapter with intent to defraud, the contractor or subcontractor or a firm, corporation, partnership, or association in which the contractor or subcontractor has any interest is ineligible for a period of not less than one year or more than three years to do either of the following:

- (1) Bid on or be awarded a contract for a public works project.
- (2) Perform work as a subcontractor on a public works project.

(b) Whenever a contractor or subcontractor performing a public works project pursuant to this chapter is found by the Labor Commissioner to have committed two or more separate willful violations of this chapter within a three-year period, the contractor or subcontractor or a firm, corporation, partnership, or association in which the contractor or subcontractor has any interest is ineligible for a period up to three years to do either of the following:

- (1) Bid on or be awarded a contract for a public works project.
- (2) Perform work as a subcontractor on a public works project.

(c) Whenever a contractor or subcontractor performing a public works project has failed to provide a timely response to a request by the Division of Labor Standards Enforcement, the Division of Apprenticeship Standards, or the awarding body to produce certified payroll records pursuant to Section 1776, the Labor Commissioner shall notify the contractor or subcontractor that, in addition to any other penalties provided by law, the contractor or subcontractor will be subject to debarment under this section if the certified payroll records are not produced within 30 days after receipt of the written notice. If the commissioner finds that the contractor or subcontractor has failed to comply with Section 1776 by that deadline, unless the commissioner finds that the failure to comply was due to circumstances outside the contractor's or subcontractor's control, the contractor or subcontractor or a firm, corporation, partnership, or association in which the contractor or subcontractor has any interest is ineligible for a period of not less than one year and not more than three years to do either of the following:

- (1) Bid on or be awarded a contract for a public works project.
- (2) Perform work as a subcontractor on a public works project.

(d) (1) In the event a contractor or subcontractor is determined by the Labor Commissioner to have knowingly committed a serious violation of any provision of Section 1777.5, the Labor Commissioner may also deny to the contractor or subcontractor, and to its responsible officers, the right to bid on or to be awarded or perform work as a subcontractor on any public works contract for a period of up to one year for the first violation and for a period of up to three years for a second or subsequent violation. Each period of debarment shall run from the date the determination of noncompliance by the Labor Commissioner becomes a final order.

(2) The Labor Commissioner shall consider, in determining whether a violation is serious, and in determining whether and for how long a party should be debarred for violating Section 1777.5, all of the following circumstances:

- (A) Whether the violation was intentional.
- (B) Whether the party has committed other violations of Section 1777.5.

(C) Whether, upon notice of the violation, the party took steps to voluntarily remedy the violation.

(D) Whether, and to what extent, the violation resulted in lost training opportunities for apprentices.

(E) Whether, and to what extent, the violation otherwise harmed apprentices or apprenticeship programs.

(e) A willful violation occurs when the contractor or subcontractor knew or reasonably should have known of his or her obligations under the public works law and deliberately fails or deliberately refuses to comply with its provisions.

(f) The Labor Commissioner shall publish on the commissioner's Internet Web site a list of contractors who are ineligible to bid on or be awarded a public works contract, or to perform work as a subcontractor on a public works project pursuant to this chapter. The list shall contain the name of the contractor, the Contractors' State License Board license number of the contractor, and the effective period of debarment of the contractor. Contractors shall be added to the list upon issuance of a debarment order and the commissioner shall also notify the Contractors' State License Board when the list is updated. At least annually, the commissioner shall notify awarding bodies of the availability of the list of debarred contractors. The commissioner shall also place advertisements in construction industry publications targeted to the contractors and subcontractors, chosen by the commissioner, that state the effective period of the debarment and the reason for debarment. The advertisements shall appear one time for each debarment of a contractor in each publication chosen by the commissioner. The debarred contractor or subcontractor shall be liable to the commissioner for the reasonable cost of the advertisements, not to exceed five thousand dollars (\$5,000). The amount paid to the commissioner for the advertisements shall be credited against the contractor's or subcontractor's obligation to pay civil fines or penalties for the same willful violation of this chapter.

(g) For purposes of this section, "contractor or subcontractor" means a firm, corporation, partnership, or association and its

responsible managing officer, as well as any supervisors, managers, and officers found by the Labor Commissioner to be personally and substantially responsible for the willful violation of this chapter.

(h) For the purposes of this section, the term "any interest" means an interest in the entity bidding or performing work on the public works project, whether as an owner, partner, officer, manager, employee, agent, consultant, or representative. "Any interest" includes, but is not limited to, all instances where the debarred contractor or subcontractor receives payments, whether cash or any other form of compensation, from any entity bidding or performing work on the public works project, or enters into any contracts or agreements with the entity bidding or performing work on the public works project for services performed or to be performed for contracts that have been or will be assigned or sublet, or for vehicles, tools, equipment, or supplies that have been or will be sold, rented, or leased during the period from the initiation of the debarment proceedings until the end of the term of the debarment period. "Any interest" does not include shares held in a publicly traded corporation if the shares were not received as compensation after the initiation of debarment from an entity bidding or performing work on a public works project.

(i) For the purposes of this section, the term "entity" is defined as a company, limited liability company, association, partnership, sole proprietorship, limited liability partnership, corporation, business trust, or organization.

(j) The Labor Commissioner shall adopt rules and regulations for the administration and enforcement of this section.

1777.5. (a) Nothing in this chapter shall prevent the employment of properly registered apprentices upon public works.

(b) Every apprentice employed upon public works shall be paid the prevailing rate of per diem wages for apprentices in the trade to which he or she is registered and shall be employed only at the work of the craft or trade to which he or she is registered.

(c) Only apprentices, as defined in Section 3077, who are in training under apprenticeship standards that have been approved by the Chief of the Division of Apprenticeship Standards and who are parties to written apprentice agreements under Chapter 4 (commencing with Section 3070) of Division 3 are eligible to be employed at the apprentice wage rate on public works. The employment and training of each apprentice shall be in accordance with either of the following:

(1) The apprenticeship standards and apprentice agreements under which he or she is training.

(2) The rules and regulations of the California Apprenticeship Council.

(d) When the contractor to whom the contract is awarded by the state or any political subdivision, in performing any of the work under the contract, employs workers in any apprenticeable craft or trade, the contractor shall employ apprentices in at least the ratio set forth in this section and may apply to any apprenticeship program in the craft or trade that can provide apprentices to the site of the public work for a certificate approving the contractor under the apprenticeship standards for the employment and training of apprentices in the area or industry affected. However, the decision of the apprenticeship program to approve or deny a certificate shall be subject to review by the Administrator of Apprenticeship. The apprenticeship program or programs, upon approving the contractor, shall arrange for the dispatch of apprentices to the contractor. A contractor covered by an apprenticeship program's standards shall not be required to submit any additional application in order to include additional public works contracts under that program.

"Apprenticeable craft or trade," as used in this section, means a craft or trade determined as an apprenticeable occupation in accordance with rules and regulations prescribed by the California Apprenticeship Council. As used in this section, "contractor" includes any subcontractor under a contractor who performs any public works not excluded by subdivision (o).

(e) Prior to commencing work on a contract for public works, every contractor shall submit contract award information to an applicable apprenticeship program that can supply apprentices to the site of the public work. The information submitted shall include an estimate of journeyman hours to be performed under the contract, the number of apprentices proposed to be employed, and the approximate dates the apprentices would be employed. A copy of this information shall also be submitted to the awarding body if requested by the awarding body. Within 60 days after concluding work on the contract, each contractor and subcontractor shall submit to the awarding body, if requested, and to the apprenticeship program a verified statement of the journeyman and apprentice hours performed on the contract. The

information under this subdivision shall be public. The apprenticeship programs shall retain this information for 12 months.

(f) The apprenticeship program that can supply apprentices to the area of the site of the public work shall ensure equal employment and affirmative action in apprenticeship for women and minorities.

(g) The ratio of work performed by apprentices to journeymen employed in a particular craft or trade on the public work may be no higher than the ratio stipulated in the apprenticeship standards under which the apprenticeship program operates where the contractor agrees to be bound by those standards, but, except as otherwise provided in this section, in no case shall the ratio be less than one hour of apprentice work for every five hours of journeyman work.

(h) This ratio of apprentice work to journeyman work shall apply during any day or portion of a day when any journeyman is employed at the jobsite and shall be computed on the basis of the hours worked during the day by journeymen so employed. Any work performed by a journeyman in excess of eight hours per day or 40 hours per week shall not be used to calculate the ratio. The contractor shall employ apprentices for the number of hours computed as above before the end of the contract or, in the case of a subcontractor, before the end of the subcontract. However, the contractor shall endeavor, to the greatest extent possible, to employ apprentices during the same time period that the journeymen in the same craft or trade are employed at the jobsite. Where an hourly apprenticeship ratio is not feasible for a particular craft or trade, the Administrator of Apprenticeship, upon application of an apprenticeship program, may order a minimum ratio of not less than one apprentice for each five journeymen in a craft or trade classification.

(i) A contractor covered by this section who has agreed to be covered by an apprenticeship program's standards upon the issuance of the approval certificate, or who has been previously approved for an apprenticeship program in the craft or trade, shall employ the number of apprentices or the ratio of apprentices to journeymen stipulated in the applicable apprenticeship standards, but in no event less than the 1 to 5 ratio required by subdivision (g).

(j) Upon proper showing by a contractor that he or she employs apprentices in a particular craft or trade in the state on all of his or her contracts on an annual average of not less than one hour of apprentice work for every five hours of labor performed by journeymen, the Administrator of Apprenticeship may grant a certificate exempting the contractor from the 1 to 5 hourly ratio, as set forth in this section for that craft or trade.

(k) An apprenticeship program has the discretion to grant to a participating contractor or contractor association a certificate, which shall be subject to the approval of the Administrator of Apprenticeship, exempting the contractor from the 1 to 5 ratio set forth in this section when it finds that any one of the following conditions is met:

(1) Unemployment for the previous three-month period in the area exceeds an average of 15 percent.

(2) The number of apprentices in training in the area exceeds a ratio of 1 to 5.

(3) There is a showing that the apprenticeable craft or trade is replacing at least one-thirtieth of its journeymen annually through apprenticeship training, either on a statewide basis or on a local basis.

(4) Assignment of an apprentice to any work performed under a public works contract would create a condition that would jeopardize his or her life or the life, safety, or property of fellow employees or the public at large, or the specific task to which the apprentice is to be assigned is of a nature that training cannot be provided by a journeyman.

(l) When an exemption is granted pursuant to subdivision (k) to an organization that represents contractors in a specific trade from the 1 to 5 ratio on a local or statewide basis, the member contractors shall not be required to submit individual applications for approval to local joint apprenticeship committees, if they are already covered by the local apprenticeship standards.

(m) (1) A contractor to whom a contract is awarded, who, in performing any of the work under the contract, employs journeymen or apprentices in any apprenticeable craft or trade shall contribute to the California Apprenticeship Council the same amount that the director determines is the prevailing amount of apprenticeship training contributions in the area of the public works site. A contractor may take as a credit for payments to the council any amounts paid by the contractor to an approved apprenticeship program that can supply apprentices to the site of the public works project. The contractor may add the amount of the contributions in computing his or her bid for the contract.

(2) At the conclusion of the 2002-03 fiscal year and each fiscal year thereafter, the California Apprenticeship Council shall

distribute training contributions received by the council under this subdivision, less the expenses of the Department of Industrial Relations for administering this subdivision, by making grants to approved apprenticeship programs for the purpose of training apprentices. The funds shall be distributed as follows:

(A) If there is an approved multiemployer apprenticeship program serving the same craft or trade and geographic area for which the training contributions were made to the council, a grant to that program shall be made.

(B) If there are two or more approved multiemployer apprenticeship programs serving the same craft or trade and county for which the training contributions were made to the council, the grant shall be divided among those programs based on the number of apprentices from that county registered in each program.

(C) All training contributions not distributed under subparagraphs (A) and (B) shall be used to defray the future expenses of the Department of Industrial Relations for the administration and enforcement of apprenticeship standards and requirements under this code.

(3) All training contributions received pursuant to this subdivision shall be deposited in the Apprenticeship Training Contribution Fund, which is hereby created in the State Treasury. Upon appropriation by the Legislature, all moneys in the Apprenticeship Training Contribution Fund shall be used for the purpose of carrying out this subdivision and to pay the expenses of the Department of Industrial Relations.

(n) The body awarding the contract shall cause to be inserted in the contract stipulations to effectuate this section. The stipulations shall fix the responsibility of compliance with this section for all apprenticeable occupations with the prime contractor.

(o) This section does not apply to contracts of general contractors or to contracts of specialty contractors not bidding for work through a general or prime contractor when the contracts of general contractors or those specialty contractors involve less than thirty thousand dollars (\$30,000).

(p) An awarding body that implements an approved labor compliance program in accordance with subdivision (b) of Section 1771.5 may, with the approval of the director, assist in the enforcement of this section under the terms and conditions prescribed by the director.

1777.6. An employer or a labor union shall not refuse to accept otherwise qualified employees as registered apprentices on any public works on any basis listed in subdivision (a) of Section 12940 of the Government Code, as those bases are defined in Sections 12926 and 12926.1 of the Government Code, except as provided in Section 3077 of this code and Section 12940 of the Government Code.

1777.7. (a) (1) If the Labor Commissioner or his or her designee determines after an investigation that a contractor or subcontractor knowingly violated Section 1777.5, the contractor and any subcontractor responsible for the violation shall forfeit, as a civil penalty to the state or political subdivision on whose behalf the contract is made or awarded, not more than one hundred dollars (\$100) for each full calendar day of noncompliance. The amount of this penalty may be reduced by the Labor Commissioner if the amount of the penalty would be disproportionate to the severity of the violation. A contractor or subcontractor that knowingly commits a second or subsequent violation within a three-year period, if the noncompliance results in apprenticeship training not being provided as required by this chapter, shall forfeit as a civil penalty the sum of not more than three hundred dollars (\$300) for each full calendar day of noncompliance.

(2) In lieu of the penalty provided for in this subdivision, the Labor Commissioner may, for a first-time violation and with the concurrence of an apprenticeship program described in subdivision (d) of Section 1777.5, order the contractor or subcontractor to provide apprentice employment equivalent to the work hours that would have been provided for apprentices during the period of noncompliance.

(b) The Labor Commissioner shall consider, in setting the amount of a monetary penalty, all of the following circumstances:

(1) Whether the violation was intentional.

(2) Whether the party has committed other violations of Section 1777.5.

(3) Whether, upon notice of the violation, the party took steps to voluntarily remedy the violation.

(4) Whether, and to what extent, the violation resulted in lost training opportunities for apprentices.

(5) Whether, and to what extent, the violation otherwise harmed apprentices or apprenticeship programs.

(c) (1) The Labor Commissioner or his or her designee shall issue a civil wage and penalty assessment, in accordance with the provisions of Section 1741, upon determination of penalties assessed under subdivisions (a) and (b). Review of a civil wage and penalty assessment issued under this subdivision may be requested in accordance with the provisions of Section 1742. The regulations of the Director of Industrial Relations, which govern proceedings for review of civil wage and penalty assessments and the withholding of contract payments under Article 1 (commencing with Section 1720) and Article 2 (commencing with Section 1770), shall apply.

(2) For purposes of this section, a determination issued pursuant to subdivision (a) or (b) includes a determination that has been approved by the Labor Commissioner and issued by an awarding body that has been authorized to assist the director in the enforcement of Section 1777.5 pursuant to subdivision (p) of that section. The Labor Commissioner may intervene in any proceeding for review of a determination issued by an awarding body. If the involvement of the Labor Commissioner in a labor compliance program enforcement action is limited to a review of the determination and the matter is resolved without litigation by or against the Labor Commissioner or the department, the awarding body shall enforce any applicable penalties, as specified in this section, and shall deposit any penalties and forfeitures collected in the General Fund.

(d) The determination of the Labor Commissioner as to the amount of the penalty imposed under subdivisions (a) and (b) shall be reviewable only for an abuse of discretion.

(e) If a subcontractor is found to have violated Section 1777.5, the prime contractor of the project is not liable for any penalties under subdivision (a) unless the prime contractor had knowledge of the subcontractor's failure to comply with the provisions of Section 1777.5 or unless the prime contractor fails to comply with any of the following requirements:

(1) The contract executed between the contractor and the subcontractor for the performance of work on the public works project shall include a copy of the provisions of Sections 1771, 1775, 1776, 1777.5, 1813, and 1815.

(2) The contractor shall continually monitor a subcontractor's use of apprentices required to be employed on the public works project pursuant to subdivision (d) of Section 1777.5, including, but not limited to, periodic review of the certified payroll of the subcontractor.

(3) Upon becoming aware of a failure of the subcontractor to employ the required number of apprentices, the contractor shall take corrective action, including, but not limited to, retaining funds due to the subcontractor for work performed on the public works project until the failure is corrected.

(4) Prior to making the final payment to the subcontractor for work performed on the public works project, the contractor shall obtain a declaration signed under penalty of perjury from the subcontractor that the subcontractor has employed the required number of apprentices on the public works project.

(f) The Division of Labor Standards Enforcement shall notify the contractor on a public works project within 15 days of the receipt by the division of a complaint that a subcontractor on that public works project knowingly violated Section 1777.5.

(g) The interpretation of Section 1777.5 and the substantive requirements of this section applicable to contractors or subcontractors shall be in accordance with the regulations of the California Apprenticeship Council.

(h) The Director of Industrial Relations may adopt regulations to establish guidelines for the imposition of monetary penalties.

1778. Every person, who individually or as a representative of an awarding or public body or officer, or as a contractor or subcontractor doing public work, or agent or officer thereof, who takes, receives, or conspires with another to take or receive, for his own use or the use of any other person any portion of the wages of any workman or working subcontractor, in connection with services rendered upon any public work is guilty of a felony.

1779. Any person or agent or officer thereof who charges, collects, or attempts to charge or collect, directly or indirectly, a fee or valuable consideration for registering any person for public work, or for giving information as to where such employment may be procured,

or for placing, assisting in placing, or attempting to place, any person in public work, whether the person is to work directly for the State, or any political subdivision or for a contractor or subcontractor doing public work is guilty of a misdemeanor.

1780. Any person acting on behalf of the State or any political subdivision, or any contractor or subcontractor or agent or representative thereof, doing any public work who places any order for the employment of a workman on public work where the filling of the order for employment involves the charging of a fee, or the receiving of a valuable consideration from any applicant for employment is guilty of a misdemeanor.

1781. (a) (1) Notwithstanding any other provision of law, a contractor may, subject to paragraphs (2) and (3), bring an action in a court of competent jurisdiction to recover from the body awarding a contract for a public work or otherwise undertaking any public work any increased costs incurred by the contractor as a result of any decision by the body, the Department of Industrial Relations, or a court that classifies, after the time at which the body accepts the contractor's bid or awards the contractor a contract in circumstances where no bid is solicited, the work covered by the bid or contract as a "public work," as defined in this chapter, to which Section 1771 applies, if that body, before the bid opening or awarding of the contract, failed to identify as a "public work," as defined in this chapter, in the bid specification or in the contract documents that portion of the work that the decision classifies as a "public work."

(2) The body awarding a contract for a public work or otherwise undertaking any public work is not liable for increased costs in an action described in paragraph (1) if all of the following conditions are met:

(A) The contractor did not directly submit a bid to, or directly contract with, that body.

(B) The body stated in the contract, agreement, ordinance, or other written arrangement by which it undertook the public work that the work described in paragraph (1) was a "public work," as defined in this chapter, to which Section 1771 applies, and obligated the party with whom the body makes its written arrangement to cause the work described in paragraph (1) to be performed as a "public work."

(C) The body fulfilled all of its duties, if any, under the Civil Code or any other provision of law pertaining to the body providing and maintaining bonds to secure the payment of contractors, including the payment of wages to workers performing the work described in paragraph (1).

(3) If a contractor did not directly submit a bid to, or directly contract with a body awarding a contract for, or otherwise undertaking a public work, the liability of that body in an action commenced by the contractor under subdivision (a) is limited to that portion of a judgment, obtained by that contractor against the body that solicited the contractor's bid or awarded the contract to the contractor, that the contractor is unable to satisfy. For purposes of this paragraph, a contractor may not be deemed to be unable to satisfy any portion of a judgment unless, in addition to other collection measures, the contractor has made a good faith attempt to collect that portion of the judgment against a surety bond, guarantee, or some other form of assurance.

(b) When construction has not commenced at the time a final decision by the Department of Industrial Relations or a court classifies all or part of the work covered by the bid or contract as a "public work," as defined in this chapter, the body that solicited the bid or awarded the contract shall rebid the "public work" covered by the contract as a "public work," any bid that was submitted and any contract that was executed for this work are null and void, and the contractor may not be compensated for any nonconstruction work already performed unless the body soliciting the bid or awarding the contract has agreed to compensate the contractor for this work.

(c) For purposes of this section:

(1) "Awarding body" does not include the Department of General Services, the Department of Transportation, or the Department of Water Resources.

(2) "Increased costs" includes, but is not limited to:

(A) Labor cost increases required to be paid to workers who perform or performed work on the "public work" as a result of the events described in subdivision (a).

(B) Penalties for a violation of this article for which the contractor is liable, and which violation is the result of the events described in subdivision (a).

1782. (a) A charter city shall not receive or use state funding or financial assistance for a construction project if the city has a charter provision or ordinance that authorizes a contractor to not comply with the provisions of this article on any public works contract.

(b) A charter city shall not receive or use state funding or financial assistance for a construction project if the city has awarded, within the prior two years, a public works contract without requiring the contractor to comply with all of the provisions of this article. This subdivision shall not apply if the charter city's failure to include the prevailing wage or apprenticeship requirement in a particular contract was inadvertent and contrary to a city charter provision or ordinance that otherwise requires compliance with this article.

(c) A charter city is not disqualified by subdivision (a) from receiving or using state funding or financial assistance for its construction projects if the charter city has a local prevailing wage ordinance for all its public works contracts that includes requirements that in all respects are equal to or greater than the requirements imposed by the provisions of this article and that do not authorize a contractor to not comply with this article.

(d) For purposes of this section, the following shall apply:

(1) A public works contract does not include contracts for projects of twenty-five thousand dollars (\$25,000) or less when the project is for construction work, or projects of fifteen thousand dollars (\$15,000) or less when the project is for alteration, demolition, repair, or maintenance work.

(2) A charter city includes any agency of a charter city and any entity controlled by a charter city whose contracts would be subject to this article.

(3) A "construction project" means a project that involves the award of a public works contract.

(4) State funding or financial assistance includes direct state funding, state loans and loan guarantees, state tax credits, and any other type of state financial support for a construction project. State funding or financial assistance does not include revenues that charter cities are entitled to receive without conditions under the California Constitution.

(e) The Director of Industrial Relations shall maintain a list of charter cities that may receive and use state funding or financial assistance for their construction projects.

(f) (1) This section does not restrict a charter city from receiving or using state funding or financial assistance that was awarded to the city prior to January 1, 2015, or from receiving or using state funding or financial assistance to complete a contract that was awarded prior to January 1, 2015.

(2) A charter city is not disqualified by subdivision (b) from receiving or using state funding or financial assistance for its construction projects based on the city's failure to require a contractor to comply with this article in performing a contract the city advertised for bid or awarded prior to January 1, 2015.

1784. (a) Notwithstanding any other law, a contractor may bring an action in a court of competent jurisdiction to recover from the hiring party that the contractor directly contracts with, any increased costs attributable solely to the provisions of this chapter, including, but not limited to, the difference between the wages actually paid to an employee and the wages that were required to be paid to an employee under this chapter, any penalties or other sums required to be paid under this chapter, and costs and attorney's fees for the action incurred by the contractor as a result of any decision by the Department of Industrial Relations, the Labor and Workforce Development Agency, or a court that classifies, after the time at which the hiring party accepts the contractor's bid, awards the contractor a contract under circumstances when no bid is solicited, or otherwise allows construction by the contractor to proceed, the work covered by the project, or any portion thereof, as a "public work," as defined in this chapter, except to the extent that either of the following is true:

(1) The owner or developer or its agent expressly advised the contractor that the work to be covered by the contract would be a "public work," as defined in this chapter, or is otherwise subject to the payment of prevailing wages.

(2) The hiring party expressly advised the contractor that the work subject to the contract would be a "public work," as defined in this chapter, or is otherwise subject to the payment of prevailing

wages.

(b) (1) To be entitled to the recovery of increased costs described in subdivision (a), the contractor shall notify the hiring party and the owner or developer within 30 days after receipt of the notice of a decision by the Department of Industrial Relations or the Labor and Workforce Development Agency, or the initiation of any action in a court alleging, that the work covered by the project, or any portion thereof, is a "public work," as defined in this chapter.

(2) The notice provided pursuant to this subdivision shall set forth the legal name, address, and telephone number of the contractor, and the name, address, and telephone number of the contractor's representative, if any, and shall be given by registered or certified mail, express mail, or overnight delivery by an express service carrier.

(c) A contractor is not required to list any prevailing wages or apprenticeship standard violations on a prequalification questionnaire that are the direct result of the failure of the owner or developer or its agent, or a hiring party, to notify the contractor that the project, or any portion thereof, was a "public work," as defined in this chapter.

(d) This section does not apply to private residential projects built on private property unless the project is built pursuant to an agreement with a state agency, redevelopment agency, or local public housing authority.

(e) This section does not apply if the conduct of the contractor caused the project to be a "public work," as defined in this chapter, or if the contractor has actual knowledge that the work is a "public work," as defined in this chapter.

(f) A contractor may seek recovery pursuant to this section only from a hiring party with whom the contractor has a direct contract.

(g) For purposes of this section, "contractor" means a person or entity licensed by the Contractors' State Licensing Board that has a direct contract with the hiring party to provide services on private property or for the benefit of a private owner or developer.

(h) For purposes of this section, "hiring party" means the party that has a direct contract for services provided by the contractor who is seeking recovery pursuant to subdivision (a) on a private works project that was subsequently determined to be a public work by the Department of Industrial Relations or the Labor and Workforce Development Agency, or by the initiation of any action in a court alleging that the work covered by the project, or any portion thereof, was a public work.

LABOR CODE

SECTION 1810-1815

1810. Eight hours labor constitutes a legal day's work in all cases where the same is performed under the authority of any law of this State, or under the direction, or control, or by the authority of any officer of this State acting in his official capacity, or under the direction, or control or by the authority of any municipal corporation, or of any officer thereof. A stipulation to that effect shall be made a part of all contracts to which the State or any municipal corporation therein is a party.

1811. The time of service of any workman employed upon public work is limited and restricted to 8 hours during any one calendar day, and 40 hours during any one calendar week, except as hereinafter provided for under Section 1815.

1812. Every contractor and subcontractor shall keep an accurate record showing the name of and actual hours worked each calendar day and each calendar week by each worker employed by him or her in connection with the public work. The record shall be kept open at all reasonable hours to the inspection of the awarding body and to the Division of Labor Standards Enforcement.

1813. The contractor or subcontractor shall, as a penalty to the state or political subdivision on whose behalf the contract is made or awarded, forfeit twenty-five dollars (\$25) for each worker employed in the execution of the contract by the respective contractor or subcontractor for each calendar day during which the worker is required or permitted to work more than 8 hours in any one calendar day and 40 hours in any one calendar week in violation of the provisions of this article. In awarding any contract for public work, the awarding body shall cause to be inserted in the contract a stipulation to this effect. The awarding body shall take cognizance of all violations of this article committed in the course of the execution of the contract, and shall report them to the Division of Labor Standards Enforcement.

1814. Any officer, agent, or representative of the State or any political subdivision who violates any provision of this article and any contractor or subcontractor or agent or representative thereof doing public work who neglects to comply with any provision of Section 1812 is guilty of a misdemeanor.

1815. Notwithstanding the provisions of Sections 1810 to 1814, inclusive, of this code, and notwithstanding any stipulation inserted in any contract pursuant to the requirements of said sections, work performed by employees of contractors in excess of 8 hours per day, and 40 hours during any one week, shall be permitted upon public work upon compensation for all hours worked in excess of 8 hours per day at not less than 1 1/2 times the basic rate of pay.

LABOR CODE

SECTION 1860-1861

1860. The awarding body shall cause to be inserted in every public works contract a clause providing that, in accordance with the provisions of Section 3700 of the Labor Code, every contractor will be required to secure the payment of compensation to his employees.

1861. Each contractor to whom a public works contract is awarded shall sign and file with the awarding body the following certification prior to performing the work of the contract: "I am aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this contract."

LABOR CODE

SECTION 3070-3098

3070. There is in the Division of Apprenticeship Standards the California Apprenticeship Council, which shall be appointed by the Governor, composed of six representatives each from employers or employer organizations and employee organizations, that sponsor apprenticeship programs under this chapter, respectively, geographically selected, and of two representatives of the general public. The Director of Industrial Relations, or his or her permanent and best qualified designee, and the Superintendent of Public Instruction, or his or her permanent and best qualified designee, and the Chancellor of the California Community Colleges, or his or her permanent and best qualified designee, shall also be members of the California Apprenticeship Council. The chairperson shall be elected by vote of the California Apprenticeship Council. Beginning with appointments in 1985, three representatives each of employers and employees, and one public representative shall serve until January 15, 1989. In 1987, three representatives each of the employers and employees, and one public representative shall serve until January 15, 1991. Any member whose term expires on January 15, 1986, shall continue to serve until January 15, 1987. Thereafter each member shall serve for a term of four years. Any member appointed to fill a vacancy occurring prior to the expiration of the term of his or her predecessor shall be appointed for the remainder of that term. Each member of the council shall receive the sum of one hundred dollars (\$100) for each day of actual attendance at meetings of the council, for each day of actual attendance at hearings by the council or a committee thereof pursuant to Section 3082, and for each day of actual attendance at meetings of other committees established by the council and approved by the Director of Industrial Relations, together with his or her actual and necessary traveling expenses incurred in connection therewith.

3071. The California Apprenticeship Council shall meet at the call of the Director of Industrial Relations and shall aid him or her in formulating policies for the effective administration of this chapter.

Thereafter, the California Apprenticeship Council shall meet quarterly at a designated date and special meetings may be held at the call of the chairman. The California Apprenticeship Council shall issue rules and regulations which establish standards for minimum wages, maximum hours, and working conditions for apprentice agreements, hereinafter in this chapter referred to as apprenticeship standards, which in no case shall be lower than those prescribed by this chapter; and shall issue rules and regulations governing equal opportunities in apprenticeship, affirmative action programs which include women and minorities in apprenticeship, and other on-the-job training, and criteria for selection procedures with a view particularly toward eliminating criteria not relevant to qualification for training employment or more stringent than is reasonably necessary.

3072. The Director of Industrial Relations is ex officio the Administrator of Apprenticeship and is authorized to appoint assistants as necessary to effectuate the purposes of this chapter.

3073. The Chief of the Division of Apprenticeship Standards, or his or her duly authorized representative, shall administer the provisions of this chapter; act as secretary of the California Apprenticeship Council; shall foster, promote, and develop the welfare of the apprentice and industry, improve the working conditions of apprentices, and advance their opportunities for profitable employment; shall ensure that selection procedures are impartially administered to all applicants for apprenticeship; shall gather and promptly disseminate information through apprenticeship and training information centers; shall maintain on public file in all high schools and field offices of the Employment Development Department the name and location of the local area apprenticeship

committees, the filing date, and minimum requirements for application of all registered apprenticeship programs; shall cooperate in the development of apprenticeship programs and may advise with them on problems affecting apprenticeship standards; shall audit all selection and disciplinary proceedings of apprentices or prospective apprentices; may enter joint agreements with the Employment Development Department outreach education and employment programs, and educational institutions on the operation of apprenticeship information centers, including positive efforts to achieve information on equal opportunity and affirmative action programs for women and minorities; and shall supervise and recommend apprenticeship agreements as to these standards and perform such other duties associated therewith as the California Apprenticeship Council may recommend. The chief shall coordinate the exchange, by the California Apprenticeship Council, the apprenticeship program sponsors, the Fair Employment and Housing Council, community organizations, and other interested persons, of information on available minorities and women who may serve as apprentices.

3073.1. (a) The division shall audit apprenticeship programs to ensure that the program audited is complying with its standards, that all on-the-job training is supervised by journeymen, that all related and supplemental instruction required by the apprenticeship standards is being provided, that all work processes in the apprenticeship standards are being covered, and that graduates have completed the apprenticeship program's requirements. The division shall examine each apprenticeship program to determine whether apprentices are graduating from the program on schedule or dropping out and to determine whether graduates of the program have obtained employment as journeymen. During the audit, the division shall attempt to contact a statistically valid sample of apprentices who have dropped out of the program prior to completion to determine the apprentices' reasons for leaving the program. Every apprenticeship program sponsor shall have a duty to cooperate with the division in conducting an audit.

(b) Audit reports shall be presented to the California Apprenticeship Council and shall be made public, except that the division shall not make public information that would infringe on the privacy of individual apprentices. The division shall recommend remedial action to correct deficiencies recognized in the audit report, and the failure to follow division recommendations or to correct deficiencies within a reasonable period of time shall be grounds for withdrawing state approval of a program. Nothing shall prevent the division from conducting more frequent or random audits of apprenticeship programs where deficiencies have been identified.

(c) The division shall give priority in conducting audits to programs that have been identified as having deficiencies. The division may conduct simplified audits for programs with fewer than five registered apprentices.

(d) For new and newly expanded building and construction trades apprenticeship programs, the division shall audit each program one year after approval of the creation or expansion of the program.

(e) If the division finds evidence that information provided to it by a building and construction trades apprenticeship program has been purposefully misstated, the division shall immediately investigate and determine whether an audit of the program is necessary. The division shall report its investigatory findings to the California Apprenticeship Council and make them available to the public, except that the division shall not make public information that would infringe upon the privacy of individual apprentices.

(f) If the division determines that a building and construction trades apprenticeship program has been the subject of two or more meritorious complaints that concern the recruitment, training, or education of apprentices within a five-year period, the division shall schedule the program for an audit within three months of the determination.

(g) If the division determines that a building and construction trades apprenticeship program that has had at least two graduating classes has an annual apprentice completion rate below 50 percent of the average completion rate for the applicable trade, the division shall schedule the program for an audit within three months of the determination.

3073.3. It is the intent of the Legislature that the Department of Industrial Relations will encourage greater participation for women and ethnic minorities in apprenticeship programs.

3073.5. The Chief of the Division of Apprenticeship Standards and the California Apprenticeship Council shall annually report through the Director of Industrial Relations to the Legislature and the public on the activities of the division and the council. The report shall contain information including, but not limited to, analyses of the following:

(a) The number of individuals, including numbers of women and minorities, registered in apprenticeship programs in this state for the current year and in each of the previous five years.

(b) The number and percentage of apprentices, including numbers and percentages of minorities and women, registered in each apprenticeship program having five or more apprentices, and the percentage of those apprentices who have completed their programs successfully in the current year and in each of the previous five years.

(c) Remedial actions taken by the division to assist those apprenticeship programs having difficulty in achieving affirmative action goals or having very low completion rates.

(d) The number of disputed issues with respect to individual apprenticeship agreements submitted to the Administrator of Apprenticeship for determination and the number of those issues resolved by the council on appeal.

(e) The number of apprenticeship program applications received by the division, the number approved, the number denied and the reason for those denials, the number being reviewed, and deficiencies, if any, with respect to those program applications being reviewed.

(f) The number of apprenticeship programs, approved by the Division of Apprenticeship Standards, that are disapproved by the California Apprenticeship Council, and the reasons for those disapprovals.

3074. The preparation of trade analyses and development of curriculum for instruction, and the administration and supervision of related and supplemental instruction for apprentices, coordination of instruction with job experiences, and the selection and training of teachers and coordinators for this instruction shall be the responsibility of, and shall be provided by, state and local boards responsible for vocational education upon agreement with the program sponsor. This responsibility shall not preclude the establishment of off-campus related and supplemental instruction when approved, developed, and operated in cooperation with state and local school boards responsible for vocational education, and when the instruction meets all other requirements of this chapter. It is the intent of this chapter that the instruction shall be made available to apprentices through classroom instruction, correspondence courses, self-study or other means of instruction approved by state and local public education agencies authorized to provide vocational education.

Pursuant to this chapter all excess costs incurred by local public education agencies exceeding state apportionments and local revenue earned by the attendance of apprentices shall be payable by the program sponsor, upon joint agreement between the sponsor and the local education agency. The State Board of Education and the Board of Governors of the California Community Colleges, and the Division of Apprenticeship Standards shall jointly issue regulations regarding calculation and payment provisions of excess costs to be borne by the program sponsors. All funds accrued by local education agencies from attendance in apprenticeship classes authorized by this section shall be expended or allocated for all such classes offered by the local education agency before excess costs may be claimed.

The Department of Education and the Board of Governors of the California Community Colleges may provide related and supplemental instruction to isolated apprentices as a direct instructional service, on a contractual basis with local school districts, by correspondence, or by a combination of these means. For the purpose of this section, an isolated apprentice is an apprentice registered with the Division of Apprenticeship Standards in the Department of Industrial Relations who cannot be enrolled in a class of related and supplementary instruction for apprentices because of the small number of apprentices available for an appropriate class or because there is no existing apprenticeship program within a reasonable travel distance.

Interested parties may file a complaint in accordance with Section 201 of Title 8 of the Administrative Code, when a community college or secondary education district is unable to reach agreement with program sponsors in providing related and supplemental instruction. In the process of securing an amicable adjustment, the administrator, or his or her representative, shall meet with the parties involved,

including, but not limited to, the chancellor, or his or her representative, or the Superintendent of Public Instruction, or his or her representative.

Community colleges, and other public school districts, shall refuse to provide related and supplemental instruction to an apprenticeship program when it is determined by the Administrator of Apprenticeship that the program sponsor has been found to be in noncompliance with the State of California Plan for Equal Opportunity in Apprenticeship.

3074.1. In compliance with the affirmative action requirements of California's plan for equal opportunity in apprenticeship, school districts maintaining high schools, community colleges districts, and apprenticeship program sponsors, shall provide students with information as to the availability of apprenticeship programs.

3074.3. In providing related and supplemental instruction pursuant to Section 3074, and notwithstanding any provisions of the Education Code, the Superintendent of Public Instruction and the Chancellor of the California Community Colleges shall recognize registration in an apprenticeship program approved by the Division of Apprenticeship Standards in the Department of Industrial Relations as an acceptable prerequisite to enrollment into such related and supplemental classes.

3074.7. Notwithstanding any other provision of law, the governing board of a school district which offers classroom instruction in postgraduate and upgrading courses pursuant to subdivision (d) of Section 3093 of this code may impose a fee upon individuals receiving instruction in such postgraduate and upgrading courses. Such fee shall be not more than the amount necessary, as determined by the governing board, to cover the total cost of all such classroom instruction given the individuals.

3075. (a) An apprenticeship program may be administered by a joint apprenticeship committee, unilateral management or labor apprenticeship committee, or an individual employer. Programs may be approved by the chief in any trade in the state or in a city or trade area, whenever the apprentice training needs justify the establishment. Where a collective bargaining agreement exists, a program shall be jointly sponsored unless either party to the agreement waives its right to representation in writing. Joint apprenticeship committees shall be composed of an equal number of employer and employee representatives.

(b) For purposes of this section, the apprentice training needs in the building and construction trades shall be deemed to justify the approval of a new apprenticeship program only if any of the following conditions are met:

(1) There is no existing apprenticeship program approved under this chapter serving the same craft or trade and geographic area.

(2) Existing apprenticeship programs approved under this chapter that serve the same craft or trade and geographic area do not have the capacity, or neglect or refuse, to dispatch sufficient apprentices to qualified employers at a public works site who are willing to abide by the applicable apprenticeship standards.

(3) Existing apprenticeship programs approved under this chapter that serve the same trade and geographic area have been identified by the California Apprenticeship Council as deficient in meeting their obligations under this chapter.

(c) Notwithstanding subdivision (b), the California Apprenticeship Council may approve a new apprenticeship program if special circumstances, as established by regulation, justify the establishment of the program.

3075.1. It is the public policy of this state to encourage the utilization of apprenticeship as a form of on-the-job training, when such training is cost-effective in developing skills needed to perform public services. State and local public agencies shall make a diligent effort to establish apprenticeship programs for apprenticeable occupations in their respective work forces. In furtherance of this policy, public agencies shall take into

consideration (a) the extent to which a continuous supply of trained personnel is readily available to public agencies to meet their skill requirements in the various occupations which are determined to be apprenticeable, and (b) the application of established programs in the private sector, where appropriate. Public sector apprenticeship programs should be fully compatible with affirmative action goals for the participation of minorities and women in apprenticeship programs.

3075.5. (a) This section applies when a building and construction trades industry program applies to the Chief of the Division of Apprenticeship Standards for approval of a new apprenticeship program or for the expansion of an existing apprenticeship program into a new occupation or geographic area. The requirements of this section are in addition to other requirements that may be imposed by statute or regulation.

(b) (1) An applicant for a new or expanded apprenticeship program under subdivision (a) shall submit to the chief a written plan that sets out the number of new apprentices the applicant seeks to enroll during the next five years in the new or expanded program, new occupation, or new geographic area. The plan must include the applicant's budget for training the new apprentices and a detailed explanation of how the applicant intends to provide sufficient funding to meet that budget.

(2) The applicant shall submit to the chief a written plan providing a reasonable timetable to obtain sufficient commitments from employers to employ the new apprentices so as to ensure, to the extent feasible, consistent with the rates of employment for existing programs in good standing in the applicable trade, that the new apprentices will be employed continuously throughout the entire term of apprenticeship.

(3) The applicant shall submit to the chief verifiable evidence that the applicant has obtained, or will obtain, suitable and adequate facilities to train the new apprentices. The chief, or his or her representative, shall personally inspect the facilities within six months after the final approval of the program.

(4) The applicant shall submit to the chief a plan for the recruitment and selection of the new apprentices. The plan shall include advertising of the new apprenticeship opportunities within the geographic area and outreach to organizations that promote apprenticeship opportunities to women and underrepresented minorities.

(c) The chief shall not approve an application that fails to meet any of the requirements of this section. If the chief does not approve an application because of its failure to comply with this section, the chief shall within 90 days provide the applicant with a detailed explanation of the deficiencies in the application and recommendations for addressing those deficiencies to obtain program approval. The applicant may submit a new or amended application to the chief within 90 days of receipt of the chief's recommendations. The chief shall provide a detailed response to a new or amended application within 90 days of its receipt.

3075.6. Each building and construction trades apprenticeship program shall provide to each apprentice, on at least a semiannual basis, a statement showing the number of hours of on-the-job training and related and supplemental instruction that the apprentice has acquired toward graduation, the total number of hours of on-the-job training and related and supplemental instruction that are necessary for graduation, and the apprentice's expected graduation date.

3075.7. Every building and construction trades industry apprenticeship program shall submit apprentice registration, change of address, graduation, and termination data to the Division of Apprenticeship Standards on a monthly basis in an electronic format acceptable to the division.

3076. The function of a joint apprenticeship committee, when specific written authority is delegated by the parent organizations represented, shall be to establish work processes, wage rates, working conditions for apprentices, the number of apprentices which shall be employed in the trade under apprentice agreements, and aid in the adjustment of apprenticeship disputes in accordance with standards for apprenticeship set up by the California Apprenticeship

Council. Disciplinary proceedings resulting from disputes shall be duly noticed to the involved individuals.

3076.3. Program sponsors shall establish selection procedures which specify minimum requirements for formal education or equivalency, physical examination, if any, subject matter of written tests and oral interviews, and any other criteria pertinent to the selection process; shall specify the relative weights of all factors which determine selection to an apprenticeship program; shall submit in writing to the chief an official statement of each selection procedure including the filing date and location of the program sponsor; shall make a copy of the selection procedures available to each applicant; shall provide in writing to each applicant not selected an official explanation setting forth the reason or reasons for the nonselection, copies of which shall be retained as a public record in the files of the program sponsor for a period of five years; and shall implement affirmative action programs for minorities and women in accordance with the rules, regulations, and guidelines of the California Apprenticeship Council.

3076.5. A program sponsor may provide in its selection procedures for an additional 10 points credit in the selection of veteran applicants for apprenticeship.

"Veteran," as used in this section, means a veteran who has served in the armed forces of this country for at least 181 consecutive days since January 31, 1955, and who has been discharged or released under conditions other than dishonorable, but does not include any person who served only in auxiliary or reserve components of the armed forces whose services therein did not exempt him or her from the operation of the Selective Training and Service Act of 1940 (54 Stat. 885).

3077. The term "apprentice" as used in this chapter, means a person at least 16 years of age who has entered into a written agreement, in this chapter called an "apprentice agreement," with an employer or program sponsor. The term of apprenticeship for each apprenticeable occupation shall be approved by the chief, and in no case shall provide for less than 2,000 hours of reasonably continuous employment for such person and for his or her participation in an approved program of training through employment and through education in related and supplemental subjects.

3077.5. A program sponsor administering an apprenticeship program under this chapter shall not provide a maximum age for apprentices.

3078. Every apprentice agreement entered into under this chapter shall directly, or by reference, contain:

- (a) The names of the contracting parties.
- (b) The date of birth of the apprentice.
- (c) A statement of the trade, craft, or business which the apprentice is to be taught, and the time at which the apprenticeship will begin and end.
- (d) A statement showing the number of hours to be spent by the apprentice in work and the learning objectives to be accomplished through related and supplemental instruction, except as otherwise provided under Section 3074. These exceptions shall be subject to the appeal procedures established in Sections 3081, 3082, 3083, and 3084. A minimum of 144 hours of related and supplemental instruction for each year of apprenticeship is recommended; however, related instruction may be expressed in terms of units or other objectives to be accomplished. In no case shall the combined weekly hours of work and required related and supplemental instruction of the apprentice exceed the maximum number of hours of work prescribed by law for a person of the age of the apprentice.
- (e) A statement setting forth a schedule of the processes in the trade or industry divisions in which the apprentice is to be taught and the approximate time to be spent at each process.
- (f) A statement of the graduated scale of wages to be paid the apprentice and whether the required schooltime shall be compensated.
- (g) A statement providing for a period of probation of not more than 1,000 hours of employment and not more than 72 hours of related instruction, during which time the apprentice agreement may be

terminated by the program sponsor at the request in writing of either party, and providing that after the probationary period the apprentice agreement may be terminated by the administrator by mutual agreement of all parties thereto, or canceled by the administrator for good and sufficient reason.

(h) A provision that all controversies or differences concerning the apprentice agreement which cannot be adjusted locally, or which are not covered by collective-bargaining agreement, shall be submitted to the administrator for determination as provided for in Section 3081.

(i) A provision that an employer who is unable to fulfill his or her obligation under the apprentice agreement may, with approval of the administrator, transfer the contract to any other employer if the apprentice consents and the other employer agrees to assume the obligation of the apprentice agreement.

(j) Such additional terms and conditions as may be prescribed or approved by the California Apprenticeship Council, not inconsistent with the provisions of this chapter.

(k) A clause providing that there shall be no liability on the part of the other contracting party for an injury sustained by an apprentice engaged in schoolwork at a time when the employment of the apprentice has been temporarily or permanently terminated.

3079. Every apprentice agreement under this chapter shall be approved by the local joint apprenticeship committee or the parties to a collective bargaining agreement or, subject to review by the council, by the administrator where there is no collective bargaining agreement or joint committee, a copy of which shall be filed with the California Apprenticeship Council. Every apprentice agreement shall be signed by the employer, or his or her agent, or by a program sponsor, as provided in Section 3080, and by the apprentice, and if the apprentice is a minor, by the minor's parent or guardian. Where a minor enters into an apprentice agreement under this chapter for a period of training extending into his or her majority, the apprentice agreement shall likewise be binding for such a period as may be covered during the apprentice's majority.

3080. (a) For the purpose of providing greater diversity of training or continuity of employment, any apprentice agreement made under this chapter may in the discretion of the California Apprenticeship Council be signed by an association of employers or an organization of employees instead of by an individual employer. In that case, the apprentice agreement shall expressly provide that the association of employers or organization of employees does not assume the obligation of an employer but agrees to use its best endeavors to procure employment and training for an apprentice with one or more employers who will accept full responsibility, as herein provided, for all the terms and conditions of employment and training set forth in the agreement between the apprentice and employer association or employee organization during the period of the apprentice's employment. The apprentice agreement shall also expressly provide for the transfer of the apprentice, subject to the approval of the California Apprenticeship Council, to an employer or employers who shall sign a written agreement with the apprentice, and if the apprentice is a minor, with the apprentice's parent or guardian, as specified in Section 3079, contracting to employ the apprentice for the whole or a definite part of the total period of apprenticeship under the terms and conditions of employment and training set forth in the apprentice agreement.

(b) All apprenticeship programs with more than one employer or an association of employers shall include provisions sufficient to ensure meaningful representation of the interests of apprentices in the management of the program.

3081. Upon the complaint of any interested person or upon his own initiative, the administrator may investigate to determine if there has been a violation of the terms of an apprentice agreement, made under this chapter, and he may hold hearings, inquiries, and other proceedings necessary to such investigations and determinations. The parties to such agreement shall be given a fair and impartial hearing, after reasonable notice thereof. All such hearings, investigations and determinations shall be made under authority of reasonable rules and procedures prescribed by the California Apprenticeship Council.

3082. The determination of the administrator shall be filed with the California Apprenticeship Council. If no appeal therefrom is filed with the California Apprenticeship Council within 10 days from the date the parties are given notification of the determination, in accordance with Section 1013a and Section 2015.5 of the Code of Civil Procedure, the determination shall become the order of the California Apprenticeship Council. Any person aggrieved by the determination or action of the administrator may appeal therefrom to the California Apprenticeship Council, which shall review the entire record and may hold a hearing thereon after due notice to the interested parties.

3083. The decision of the California Apprenticeship Council as to the facts shall be conclusive if supported by the evidence and all orders and decisions of the California Apprenticeship Council shall be prima facie lawful and reasonable.

3084. Any party to an apprentice agreement aggrieved by an order or decision of the California Apprenticeship Council may maintain appropriate proceedings in the courts on questions of law. The decision of the California Apprenticeship Council shall be conclusive if the proceeding is not filed within 30 days after the date the aggrieved party is given notification of the decision.

3084.5. In any case in which a person or persons have willfully violated any of the laws, regulations, or orders governing applicants for apprenticeship or apprentices registered under this chapter, the Division of Apprenticeship Standards may obtain in a court of competent jurisdiction, an injunction against any further violations of any such laws, regulations, or orders by such person or persons.

3085. No person shall institute any action for the enforcement of any apprentice agreement, or damages for the breach of any apprentice agreement, made under this chapter, unless he shall first have exhausted all administrative remedies provided by this chapter.

3086. Nothing in this chapter or in any apprentice agreement approved under this chapter shall operate to invalidate any apprenticeship provision in any collective agreement between employers and employees setting up higher apprenticeship standards.

3088. If any provision of this chapter or the application thereof to any person or circumstances is held invalid, the remainder of the chapter and the application of such provision to other persons and circumstances, shall not be affected thereby.

3089. This chapter shall be known and may be cited as the Shelley-Maloney Apprentice Labor Standards Act of 1939.

3090. The Division of Apprenticeship Standards shall investigate, approve or reject applications from establishments for apprenticeship and other on-the-job training, and for that purpose, may cooperate, or contract with, and receive reimbursements from the appropriate agencies of the Federal Government.

3091. Acceptance of an application for entrance into an apprenticeship training program shall not be predicated on the payment of any fee. Reasonable costs for expense incurred may be

charged after an applicant has been accepted into the program.

3091.5. Pursuant to Section 16370 of the Government Code, there is hereby authorized in the State Treasury a Special Deposit Fund Account, which shall consist of moneys collected from the sale of instructional material to persons enrolled in any apprenticeship training program under this chapter. All of the moneys collected are hereby appropriated without regard to fiscal year for the support of the Department of Education to be used for the development and production of apprenticeship instructional material.

3092. A successful graduate of a training program in a particular apprenticeable occupation of a vocational education program meeting the standards of the California State Plan for Vocational Education may receive credit toward a term of apprenticeship if the program is jointly established and approved by a school district, a county superintendent of schools, a public entity conducting a regional occupational center or program, or a private postsecondary vocational school accredited by a regional or national accrediting agency recognized by the United States Office of Education and the program sponsor of the particular apprenticeable occupation.

3093. (a) This section applies only when voluntarily requested by the parties to a collective bargaining agreement or by an employer, his or her association, or a union, or its representative where there is no collective bargaining agreement.

(b) Nothing in this section may be construed in any way so as to compel, regulate, interfere with, or duplicate the provisions of any established training programs which are operated under the terms of any collective bargaining agreements or unilaterally by any employer or bona fide labor union.

(c) Services contemplated under this section may be provided only when voluntarily requested and shall be denied when it is found that existing prevailing conditions in the area and industry would in any way be lowered or adversely affected.

(d) The California Apprenticeship Council in cooperation with the Department of Education, the Employment Development Department, and the Board of Governors of the California Community Colleges may foster and promote on-the-job training programs other than apprenticeship as follows: (1) programs for journeymen in the apprenticeable occupations to keep them abreast of current techniques, methods, and materials and opportunities for advancement in their industries; (2) programs in other than apprenticeable occupations for workers entering the labor market for the first time or workers entering new occupations by reason of having been displaced from former occupations by reason of economic, industrial, technological scientific changes, or developments; (3) the programs shall be in accord with and agreed to by the parties to any applicable collective bargaining agreements and where appropriate will include joint employer-employee cooperation in the programs.

(e) The Division of Apprenticeship Standards when requested may foster and promote voluntary on-the-job training programs in accordance with this section, and assist employers, employees and other interested persons and agencies in the development and carrying out of the programs. The Division of Apprenticeship Standards shall cooperate in these functions with the Department of Education, the Employment Development Department, and the Board of Governors of the California Community Colleges and other governmental agencies. The Division of Apprenticeship Standards may cooperate with the Department of Corrections and the Department of the Youth Authority in the development of training programs for inmates and releaseses of correctional institutions.

(f) The programs, where appropriate, may include related and supplemental classroom instruction offered and administered by state and local boards responsible for vocational education.

(g) The activities and services of the Division of Apprenticeship Standards in training programs under this section shall be performed without curtailing or in any way interfering with the division's activities and services in apprenticeship.

(h) The Division of Apprenticeship Standards may contract with, and receive reimbursements from, appropriate federal, state, and other governmental agencies.

(i) The vocational education activities and services of the Department of Education, the Board of Governors of the California

Community Colleges, and local public school districts shall not be abridged or abrogated through implementation of this section.

(j) "On-the-job training" as used in this section refers exclusively to training confined to the needs of a specific occupation and conducted at the jobsite for employed workers.

(k) "Journeyman," as used in this section, means a person who has either (1) completed an accredited apprenticeship in his craft, or (2) who has completed the equivalent of an apprenticeship in length and content of work experience and all other requirements in the apprenticeship standards for the craft which has workers classified as journeymen in an apprenticeable occupation.

(l) Nothing in this section shall be construed to require prior approval, ratification, or reference of any training program to the Division of Apprenticeship Standards or the Department of Industrial Relations.

3095. Every person who willfully discriminates in any recruitment or apprenticeship program on any basis listed in subdivision (a) of Section 12940 of the Government Code, as those bases are defined in Sections 12926 and 12926.1 of the Government Code, except as otherwise provided in Section 12940 of the Government Code, is guilty of a misdemeanor punishable by a fine of not more than one thousand dollars (\$1,000) or by imprisonment for not more than six months, or both.

3097. The Department of Industrial Relations, Division of Apprenticeship Standards, may cooperate in the provision of, or provide, services to the Employment Development Department, and to service delivery areas, as designated pursuant to the Job Training Partnership Act (P.L. 97-300, and Division 8 commencing with Section 15000 of the Unemployment Insurance Code). The Department of Industrial Relations, Division of Apprenticeship Standards may enter into any agreements as may be necessary for this purpose.

The Division of Apprenticeship Standards shall exert maximum effort to persuade sponsors of its registered, nonfederally funded, voluntary apprenticeship and on-the-job training programs to accept to the maximum possible extent the eligible persons as described in the Job Training Partnership Act (P.L. 97-300) and Division 8 (commencing with Section 15000) of the Unemployment Insurance Code.

3098. An apprentice registered in an approved apprenticeship program in any of the building and construction trades shall be employed only as an apprentice when performing any construction work for an employer that is a party, individually or through an employer association, to any apprenticeship agreement or standards covering that individual.

PUBLIC CONTRACT CODE

SECTION 4100-4114

4100. This chapter may be cited as the "Subletting and Subcontracting Fair Practices Act."

4101. The Legislature finds that the practices of bid shopping and bid peddling in connection with the construction, alteration, and repair of public improvements often result in poor quality of material and workmanship to the detriment of the public, deprive the public of the full benefits of fair competition among prime contractors and subcontractors, and lead to insolvencies, loss of wages to employees, and other evils.

4103. Nothing in this chapter limits or diminishes any rights or remedies, either legal or equitable, which:

(a) An original or substituted subcontractor may have against the prime contractor, his or her successors or assigns.

(b) The state or any county, city, body politic, or public agency may have against the prime contractor, his or her successors or assigns, including the right to take over and complete the contract.

4104. Any officer, department, board, or commission taking bids for the construction of any public work or improvement shall provide in the specifications prepared for the work or improvement or in the general conditions under which bids will be received for the doing of the work incident to the public work or improvement that any person making a bid or offer to perform the work, shall, in his or her bid or offer, set forth:

(a) (1) The name, the location of the place of business, and the California contractor license number of each subcontractor who will perform work or labor or render service to the prime contractor in or about the construction of the work or improvement, or a subcontractor licensed by the State of California who, under subcontract to the prime contractor, specially fabricates and installs a portion of the work or improvement according to detailed drawings contained in the plans and specifications, in an amount in excess of one-half of 1 percent of the prime contractor's total bid or, in the case of bids or offers for the construction of streets or highways, including bridges, in excess of one-half of 1 percent of the prime contractor's total bid or ten thousand dollars (\$10,000), whichever is greater.

(2) An inadvertent error in listing the California contractor license number provided pursuant to paragraph (1) shall not be grounds for filing a bid protest or grounds for considering the bid nonresponsive if the corrected contractor's license number is submitted to the public entity by the prime contractor within 24 hours after the bid opening and provided the corrected contractor's license number corresponds to the submitted name and location for that subcontractor.

(3) (A) Subject to subparagraph (B), any information requested by the officer, department, board, or commission concerning any subcontractor who the prime contractor is required to list under this subdivision, other than the subcontractor's name, location of business, and California contractor license number, may be submitted by the prime contractor up to 24 hours after the deadline established by the officer, department, board, or commission for receipt of bids by prime contractors.

(B) A state or local agency may implement subparagraph (A) at its option.

(b) The portion of the work that will be done by each subcontractor under this act. The prime contractor shall list only one subcontractor for each portion as is defined by the prime contractor in his or her bid.

(c) This section shall become operative on July 1, 2014.

4104.5. (a) The officer, department, board, or commission taking bids for construction of any public work or improvement shall specify in the bid invitation and public notice the place the bids of the prime contractors are to be received and the time by which they shall be received. The date and time shall be extended by no less than 72 hours if the officer, department, board, or commission issues any material changes, additions, or deletions to the invitation later than 72 hours prior to the bid closing. Any bids received after the time specified in the notice or any extension due to material changes shall be returned unopened.

(b) As used in this section, the term "material change" means a change with a substantial cost impact on the total bid as determined by the awarding agency.

(c) As used in this section, the term "bid invitation" shall include any documents issued to prime contractors that contain descriptions of the work to be bid or the content, form, or manner of submission of bids by bidders.

4105. Circumvention by a general contractor who bids as a prime contractor of the requirement under Section 4104 for him or her to list his or her subcontractors, by the device of listing another contractor who will in turn sublet portions constituting the majority of the work covered by the prime contract, shall be considered a violation of this chapter and shall subject that prime contractor to the penalties set forth in Sections 4110 and 4111.

4106. If a prime contractor fails to specify a subcontractor or if a prime contractor specifies more than one subcontractor for the same portion of work to be performed under the contract in excess of one-half of 1 percent of the prime contractor's total bid, the prime contractor agrees that he or she is fully qualified to perform that portion himself or herself, and that the prime contractor shall perform that portion himself or herself.

If after award of contract, the prime contractor subcontracts, except as provided for in Sections 4107 or 4109, any such portion of the work, the prime contractor shall be subject to the penalties named in Section 4111.

4107. A prime contractor whose bid is accepted may not:

(a) Substitute a person as subcontractor in place of the subcontractor listed in the original bid, except that the awarding authority, or its duly authorized officer, may, except as otherwise provided in Section 4107.5, consent to the substitution of another person as a subcontractor in any of the following situations:

(1) When the subcontractor listed in the bid, after having had a reasonable opportunity to do so, fails or refuses to execute a written contract for the scope of work specified in the subcontractor's bid and at the price specified in the subcontractor's bid, when that written contract, based upon the general terms, conditions, plans, and specifications for the project involved or the terms of that subcontractor's written bid, is presented to the subcontractor by the prime contractor.

(2) When the listed subcontractor becomes insolvent or the subject of an order for relief in bankruptcy.

(3) When the listed subcontractor fails or refuses to perform his or her subcontract.

(4) When the listed subcontractor fails or refuses to meet the bond requirements of the prime contractor as set forth in Section 4108.

(5) When the prime contractor demonstrates to the awarding authority, or its duly authorized officer, subject to the further provisions set forth in Section 4107.5, that the name of the subcontractor was listed as the result of an inadvertent clerical error.

(6) When the listed subcontractor is not licensed pursuant to the Contractors License Law.

(7) When the awarding authority, or its duly authorized officer, determines that the work performed by the listed subcontractor is substantially unsatisfactory and not in substantial accordance with the plans and specifications, or that the subcontractor is substantially delaying or disrupting the progress of the work.

(8) When the listed subcontractor is ineligible to work on a public works project pursuant to Section 1777.1 or 1777.7 of the Labor Code.

(9) When the awarding authority determines that a listed subcontractor is not a responsible contractor.

Prior to approval of the prime contractor's request for the substitution, the awarding authority, or its duly authorized officer, shall give notice in writing to the listed subcontractor of the prime contractor's request to substitute and of the reasons for the request. The notice shall be served by certified or registered mail to the last known address of the subcontractor. The listed subcontractor who has been so notified has five working days within which to submit written objections to the substitution to the awarding authority. Failure to file these written objections constitutes the listed subcontractor's consent to the substitution.

If written objections are filed, the awarding authority shall give notice in writing of at least five working days to the listed subcontractor of a hearing by the awarding authority on the prime contractor's request for substitution.

(b) Permit a subcontract to be voluntarily assigned or transferred or allow it to be performed by anyone other than the original subcontractor listed in the original bid, without the consent of the awarding authority, or its duly authorized officer.

(c) Other than in the performance of "change orders" causing changes or deviations from the original contract, sublet or subcontract any portion of the work in excess of one-half of 1 percent of the prime contractor's total bid as to which his or her original bid did not designate a subcontractor.

4107.2. No subcontractor listed by a prime contractor under Section 4104 as furnishing and installing carpeting, shall voluntarily sublet his or her subcontract with respect to any portion of the labor to be performed unless he or she specified the subcontractor in his or her bid for that subcontract to the prime contractor.

4107.5. The prime contractor as a condition to assert a claim of inadvertent clerical error in the listing of a subcontractor shall within two working days after the time of the prime bid opening by the awarding authority give written notice to the awarding authority and copies of that notice to both the subcontractor he or she claims to have listed in error and the intended subcontractor who had bid to the prime contractor prior to bid opening.

Any listed subcontractor who has been notified by the prime contractor in accordance with this section as to an inadvertent clerical error shall be allowed six working days from the time of the prime bid opening within which to submit to the awarding authority and to the prime contractor written objection to the prime contractor's claim of inadvertent clerical error. Failure of the listed subcontractor to file the written notice within the six working days shall be primary evidence of his or her agreement that an inadvertent clerical error was made.

The awarding authority shall, after a public hearing as provided in Section 4107 and in the absence of compelling reasons to the contrary, consent to the substitution of the intended subcontractor:

(a) If (1) the prime contractor, (2) the subcontractor listed in error, and (3) the intended subcontractor each submit an affidavit to the awarding authority along with such additional evidence as the parties may wish to submit that an inadvertent clerical error was in fact made, provided that the affidavits from each of the three parties are filed within eight working days from the time of the prime bid opening, or

(b) If the affidavits are filed by both the prime contractor and the intended subcontractor within the specified time but the subcontractor whom the prime contractor claims to have listed in error does not submit within six working days, to the awarding authority and to the prime contractor, written objection to the prime contractor's claim of inadvertent clerical error as provided in this section.

If the affidavits are filed by both the prime contractor and the intended subcontractor but the listed subcontractor has, within six working days from the time of the prime bid opening, submitted to the awarding authority and to the prime contractor written objection to the prime contractor's claim of inadvertent clerical error, the awarding authority shall investigate the claims of the parties and shall hold a public hearing as provided in Section 4107 to determine the validity of those claims. Any determination made shall be based on the facts contained in the declarations submitted under penalty of perjury by all three parties and supported by testimony under oath and subject to cross-examination. The awarding authority may, on its own motion or that of any other party, admit testimony of other contractors, any bid registries or depositories, or any other party

in possession of facts which may have a bearing on the decision of the awarding authority.

4107.7. If a contractor who enters into a contract with a public entity for investigation, removal or remedial action, or disposal relative to the release or presence of a hazardous material or hazardous waste fails to pay a subcontractor registered as a hazardous waste hauler pursuant to Section 25163 of the Health and Safety Code within 10 days after the investigation, removal or remedial action, or disposal is completed, the subcontractor may serve a stop notice upon the public entity in accordance with Chapter 4 (commencing with Section 9350) of Title 3 of Part 6 of Division 4 of the Civil Code.

4108. (a) It shall be the responsibility of each subcontractor submitting bids to a prime contractor to be prepared to submit a faithful performance and payment bond or bonds if so requested by the prime contractor.

(b) In the event any subcontractor submitting a bid to a prime contractor does not, upon the request of the prime contractor and at the expense of the prime contractor at the established charge or premium therefor, furnish to the prime contractor a bond or bonds issued by an admitted surety wherein the prime contractor shall be named the obligee, guaranteeing prompt and faithful performance of the subcontract and the payment of all claims for labor and materials furnished or used in and about the work to be done and performed under the subcontract, the prime contractor may reject the bid and make a substitution of another subcontractor subject to Section 4107.

(c) (1) The bond or bonds may be required under this section only if the prime contractor in his or her written or published request for subbids clearly specifies the amount and requirements of the bond or bonds.

(2) If the expense of the bond or bonds required under this section is to be borne by the subcontractor, that requirement shall also be specified in the prime contractor's written or published request for subbids.

(3) The prime contractor's failure to specify bond requirements, in accordance with this subdivision, in the written or published request for subbids shall preclude the prime contractor from imposing bond requirements under this section.

4109. Subletting or subcontracting of any portion of the work in excess of one-half of 1 percent of the prime contractor's total bid as to which no subcontractor was designated in the original bid shall only be permitted in cases of public emergency or necessity, and then only after a finding reduced to writing as a public record of the awarding authority setting forth the facts constituting the emergency or necessity.

4110. A prime contractor violating any of the provisions of this chapter violates his or her contract and the awarding authority may exercise the option, in its own discretion, of (1) canceling his or her contract or (2) assessing the prime contractor a penalty in an amount of not more than 10 percent of the amount of the subcontract involved, and this penalty shall be deposited in the fund out of which the prime contract is awarded. In any proceedings under this section the prime contractor shall be entitled to a public hearing and to five days' notice of the time and place thereof.

4111. Violation of this chapter by a licensee under Chapter 9 (commencing with Section 7000) of Division 3 of the Business and Professions Code constitutes grounds for disciplinary action by the Contractors State License Board, in addition to the penalties prescribed in Section 4110.

4112. The failure on the part of a contractor to comply with any provision of this chapter does not constitute a defense to the contractor in any action brought against the contractor by a subcontractor.

4113. As used in this chapter, the word "subcontractor" shall mean a contractor, within the meaning of the provisions of Chapter 9 (commencing with Section 7000) of Division 3 of the Business and Professions Code, who contracts directly with the prime contractor.

"Prime contractor" shall mean the contractor who contracts directly with the awarding authority.

4114. The county board of supervisors, when it is the awarding authority, may delegate its functions under Sections 4107 and 4110 to any officer designated by the board.

The authorized officer shall make a written recommendation to the board of supervisors. The board of supervisors may adopt the recommendation without further notice or hearing, or may set the matter for a de novo hearing before the board.
