<u>Euclid Elementary School Program Schedule</u>
<u>Ocean Discovery Institute – Ocean Science Explorers</u>
2019-2020

4th Grade Unit:

During this unit students will gain experience in observing the structure and function of organisms along the coast and in the deep sea, to construct explanations about how organisms survive in their environments.
When traveling to the coast, students will be able to find, via a map, the beginning of the La Jolla submarine canyon on shore, and continue to explore how organism survive there when they visit the Living Lab.

To ensure a quality learning environment please:

- Review the following schedule and email Rochelle (RMothokakobo@OceanDI.org) about any scheduling conflicts
- Meet with Rochelle on <u>February 12th</u> to preview the new curriculum
- Have student's complete waivers and turn into Ocean Discovery Institute staff by <u>February 20th</u>
- Please ensure all students wear close-toed shoes and come with nametags to Ocean Discovery Institute's Living Lab and during their Coastal Learning Experience.
- Debrief with Rochelle on <u>March 11th</u> after school to complete teacher survey and talk about your experiences

Looking forward to working with you this year. Thank you!

Curriculum Preview Meeting
Wednesday, February 12th
1:00 – 1:30   ALL 4th Grade Teachers

School Learning Experience
Thursday, February 20th
     9:10 – 10:10   Wang   Rm D209
     10:20 – 11:20 Palacios   Rm D207

Coastal Learning Experience – La Jolla Cove
Thursday, February 27th: Palacios & Wang
     Pick up at Euclid: 9:15am
     Drop off at La Jolla Cove: 10:00am
     Pick up at La Jolla Cove: 1:00pm
     Return to Euclid: 1:45pm

Lab Learning Experience – Ocean Discovery's Living Lab

Thursday, March 5th: Wang & Palacios

      Pick up at Euclid: 9:15am

      Drop off at Ocean Discovery: 9:30am

      Pick up at Ocean Discovery: 1:00pm

      Return to Euclid: 1:15pm

Teacher Debrief

Wednesday, March 11th

1:00pm – 1:45pm   ALL 1st and 4th Grade Teachers
