Please write clearly and answer every question.

Name:

Email Address:

Major:

(Anticipated) Graduation Date:

Why do you want a career access mentor?

List 3-5 career/academic interests (in order of preference). If you've been looking for work, include a few examples of the positions you've been applying to.

List 3-5 interests you have in enhancing your professional identity and/or skills.

Do you have any current SHORT-TERM and/or LONG-TERM goals? If so, what are they?

List any degrees, licenses, certifications, credentials or special training you've received.

Career Access Mentor Program Interest Form

What challenges, if any, do you foresee to being able to fully participate in the program (ie: internet/technology access, other commitments, transportation limitations, etc.)

We will do our best to match you with a mentor who is in your intended career field and has similar interests as you. In order to gain the most from the program, you need to make a commitment to your mentor to prioritize your self-development in the process of strengthening your career readiness. Please answer the following questions:

1. Will you dedicate *at least* one hour per week to CAMP II work? Circle: YES / NO
2. Will you make every effort to attend all professional development opportunities provided by CAMP II? Circle: YES / NO
3. Will you be accountable to your personal and professional goals, including communicating progress and completing follow up tasks? Circle: YES / NO
