

<u>Title</u>	<u>Duration</u>	<u>Time Commitment</u>
Canyon Volunteers	1 day	2.5 hours

Come Join us on Saturdays as we learn about our Canyon Ecosystem and Help Restore It!

### Key Responsibilities

- Assist with hands-on habitat restoration activities in Manzanita Canyon in City Heights.

### Volunteer Impact

- Learn about the local canyon ecosystem and improve the quality of urban natural spaces.

### Commitment

- Approximately 2.5 hours on Saturdays from 9:00am-11:30am.

### Requirements

- All ages (Children below middle school age must be accompanied by adult).
- Must be an Ocean Discovery Volunteer or submit a one-day waiver.

### Preferred Qualifications

- Comfortable working on hands-on projects in outdoor settings.

### To Sign Up/Learn More

- Sign up to be a volunteer in person or [via our website](#).
- If you have any questions please call or email Lupita Sandoval, Volunteer Coordinator at 619.795.8365 ext. 113 or [lsandoval@oceandi.org](mailto:lsandoval@oceandi.org).
