

AMERICORPS DISCOVERY FELLOWSHIP PROGRAM

The program develops leaders who are dedicated to making a difference, and supports them on their journey towards finding rewarding careers.

The program provides opportunities to explore various career pathways; while serving a nationally recognized science education non-profit. Through this program, fellows build skills to compete and lead in the workforce.

In addition, fellows receive:

- Essential training to execute their role at Ocean Discovery.
- Opportunities to grow professional networks.
- Rich personal growth experiences.

Applicants Who Are:

- 18-24 years of age and have a high school diploma.
- Able to commit to 40-50 hours a week for one service year (Sept.-Jul.).
- Ready for the benefits and challenges of AmeriCorps service.

We Prioritize Applicants Who:

- Demonstrate a deep understanding of the community we serve, such as living in City Heights or a similar community.
- Are fluent in a second language.

Service Term: September 2019 to July 2020

Duties:

- Mentor and build relationships to increase engagement and support students on their path to future success.
- Assist in delivery of hands-on STEM lessons and supports.
- Program set up/breakdown, activity creation, and student management.
- Work with staff and volunteers to facilitate activities and events as well as strengthen relationships.

Fellows Receive:

- Living Allowance (approximately \$13,732/ year), bi-weekly installments
- Education Award (approximately \$5,920) upon completion of service
- Health Care Supplement
- Opportunity for Student Loan Deferment
