

Central Elementary School Program Schedule
Ocean Discovery Institute – Ocean Science Explorers
2019-2020

5th Grade Unit

During this unit students will gain experience in constructing explanations of how the geosphere, hydrosphere, and biosphere interact and how human impacts change how organisms interact with the environment.

To ensure a quality learning environment please:

- Review the following schedule and email Rochelle (RMothokakobo@OceanDI.org) about any scheduling conflicts
- Meet with Rochelle on September 4th to preview the new curriculum
- Have students complete waivers and turn into Ocean Discovery Institute staff by: **September 9th** (download from oceandiscoveryinstitute.org/teachers)
- Please ensure all students wear close-toed shoes and come with nametags to Ocean Discovery Institute’s Living Lab and during their Coastal Learning Experience.
- Debrief with Rochelle on September 25th after school to complete teacher survey and provide feedback on the unit based on your experiences.

Looking forward to working with you this year. Thank you!
