Why do you want a CAMP mentor?

List five adjectives or descriptions of the kind of person you would like your mentor to be.

List five words that best describe you.

Please list three academic/career interests:

What clubs, activities, or sports do you intend to be in during your senior year? How much of your time do these activities take up?

What challenges, if any, do you foresee to being able to fully participate in the program (ie: transportation limitations, other commitments, internet/technology access, etc.)

Is there anything else that you would like to describe about yourself that may help us find the best mentor for you?

## College Access Mentor Program Mentee Application

In order to gain the most from the program, you need to make an effort just like the mentor. Please answer the following questions:

1. Will you meet with your mentor every week? Circle: YES / NO
