

CAMP II Application Addendum

The mentor-mentee match is foundational for building the type of strong relationships required in mentorship. The below application addendum is used to determine applicant's fit with the program, and to create compatible mentor-mentee matches.

Name:

Place of Employment:

Job Title:

1. Write a brief statement on why you have chosen to participate in this mentor program.

2. What career exploration activities do you envision being possible in your work with a career mentee?

3. What is your level of experience/comfort with editing and/or providing feedback on such documents as resumes, cover letters, CVs, etc.?

4. How do you think you can relate to an under-represented, first-generation professional? Are there types of personalities you prefer not to work with (characteristics, skills, demeanor, work ethic)?

5. What degrees do you hold (or are working towards)? Include major and minor fields of study.

6. Initial the statements below:

_____ The mentor program involves spending a minimum of 1-5 hours every month from October to June with an assigned mentee, providing guidance that is appropriate based on mentee's career aspirations.

_____ Interactions must take place within pre-determined timeframe, frequency, and duration, and communications must always be professional and relevant to the current activity/need.

_____ Electronic interactions are permitted, including but not limited to: email, websites, social networking, chat rooms, video conferencing, instant messaging, phone and fax. The use of social media websites like - Facebook, Instagram, Snapchat, etc. - is prohibited.

_____ Ocean Discovery Institute is liable for all volunteer and student interactions, and mentor will communicate mentee progress and topics that come up that fall outside the scope of the mentoring relationship.

_____ It is required to fulfill all mentor trainings throughout the year, including pre-match webinars and assignments, and mentor will make every effort to attend required events, or complete make-up work if a time conflict arises.

_____ I understand that I am required to pay for a Live Scan background check, as well as an access badge for a \$5 donation that allows use of Living Lab space when applicable.

By signing below, I ascertain that the information on this addendum is true.
