

### College Application Checklist

- Take the SAT and/or ACT (if applicable; see college websites for testing requirements) more than once.
- Receive a college fit consultation with Christina Contreras, College & Career Specialist.
- Narrow your college list and send final options to Isabel.
- Visit colleges you intend to apply to and request Southwest tickets if applicable.
- Create your UC online account and begin the application.
- Create your CSU online account and begin the application.
- Confirm if you qualify for UC & CSU application fee waivers.
- Choose your 4 UC Personal Insight Questions and send selected prompts to Isabel.
- Receive a personal statements consultation with Christina Contreras, College & Career Specialist.
- Apply for the Educational Opportunity Program (EOP), or your campus's equivalent (EOPS at community college).
- Request UC and CSU application review with Ocean Discovery before submitting.
- Submit UC and CSU applications, by Nov 30.**
- Complete private school and out-of-state applications.
- Confirm your test scores have been sent to the schools you applied to, if applicable.
- Create a student portal for each college you applied to.
- If planning to attend community college, submit application for selected campus.
- Learn what YEAR-ROUND and SUMMER programs exist for first-gen, historically under-represented students at the colleges you applied to.
- Submit Statement of Intent to Register (SIR) to selected college, by May 1.**
